### CITY OF ROSES

Several people interested in flowers and gardening were swapping experiences recently when one suggested that tive, S. J. Jabour. But it didn't hap-Prince Rupert should concentrate on a flower that all Individual scoring for the Anyox would grow and for which the city would become noted. It games: was suggested that it would be a good antidote to the wet weather propaganda under which the city suffers to have everybody grow roses and hold a rose show in July.

One of the group said that roses grew better in Prince santerbane (6). Rupert than in Victoria because there were fewer pests and the flowers developed better and had a larger number D. Gillies (6), F. Calderone (16), R. zation to be in good standing and of perfect blooms. He was strong for making Prince Ru- Swanson (2), Currie (3), Steele (1). the election of officers for 1934. pert a city of roses.

Make Prince Rupert noted for her roses which would bloom during the height of the tourist season. It might not be a bad idea.

### FISHERY PROBES

Another fishery probe is to be held. It will meet and worth (1), Swanson (6). hear evidence and possibly make recommendations. These recommendations will be embodied in a report which will be printed and possibly discussed. Then it will be for the government to decide whether or not they will be adopted Sport Letter Box and implemented in legislation.

Few people can remember when the first investigation into the fisheries was held. Since that they have been held periodically but they have done little good. The investi- Editor, Daily News:gators go around the country, listen to more or less important evidence, look wise and try to separate the wheat from the chaff. Usually they have drawn fees for their work and incurred all sorts of expenses which the country

## EASTER FOOTWEAR Anyox Vandals Defeat Prince Ruprt Railwaymen to Capture North B.C. Basketball Series

In the fourth game of the Northern British Columbia basketball championship series at Anyox Saturday night, the Vandals of the smelter town defeated Canadian National Recreation Association of Prince Rupert by a score of 34 to 29. It was a close and exciting contest, giving the series to Anyox three games to one. The local team retur-

cal service boat F. H. Phippen, Capt. James Morrison, aboard RED WINGS although the outcome was not all that the locals might have hoped for, was an enjoyable one and the players were hospitably received and entertained at the smelter town. A dance in honor of the Prince Rupert team followed the first game on Friday night.

Albert Stiles started the ball rolling for Prince Rupert in the first minute of the game Saturday night when he sank a basket after pretty bit of combination. In fact, Rupert had a five-point lead before Anyox had anything on the sheet and then the' battle raged and, when the gong went at the interval, the halibut handlers had a slender two-point lead over the smelter crew. The score was 19-17 and all indications pointed to Ru-H pert repeating the same stunt as they pulled down here. However, .00 they failed to do so.

### Second Half

When the boys went back to work in the second half it was anybody's 25 game right up to the final gong. TENNIS CLUB .02 There was never more than three points difference in the score, which doesn't mean a thing in a basketball game. If the scoring aces of the C. N. R. A. had not had such bad luck in their shooting, Rupert might have come back with the championship and the new cup, which has been donated by the Sun Life through their local representa- branch, Tennis Club, which organben that way.

### First Game

### PLAYERS THANKED

May I, through your columns, extend the thanks of the Library Patrons' Committee to basketball layers comprising teams representing the Old Timers, Canadian National Recreation Association, Moose, Elks and Intermediates who took part in the series of games on Tuesday last. We realize that, for hose who have not played for some years, the games represented real hard work and we are grateful for their efforts. We would also thank all others who assisted, not forgetting "Doctors Moose and Elk." The sum of \$30.90 was realized for the Library Fund from these

### WHEN YOU'RE HEALTHY YOU'RE HAPPY!

THE blame for "blue" days can be laid often to common constipation. It may bring loss of appetite and energy, sallow and pimply skins, even serious illness. Correct it by eating a delicious cereal.

Research shows Kellogg's ALL-Bran provides "bulk" and vitamin B to relieve common constipation. Also iron for the blood.

The "bulk" in ALL-BRAN is much like that in leafy vegetables. Isn't this better than taking patent medicines-so often harmful?

Two tablespoonfuls of ALL-BRAN daily, relieve most types of constipation. With each meal, in chronic cases. If not relieved

doctor. Get the red - and - green package at your grocer's. Made by Kellogg in London, Ontario.
