NEGLECT OF COMMON CONSTIPATION IS A SERIOUS MATTER

Prevent This Condition with Kellogg's ALL-BRAN

The first question your doctor asks is whether you are constipated or not. He knows that this condi- business. tion may cause headaches, loss of appetite and energy, sleeplessness. It is often the starting point of serious illness.

You can prevent and relieve common constipation so easily. Just eat a delicious cereal once a day. Laboratory tests show that Kellogg's ALL-BRAN provides "bulk" and vitamin B to aid regular habits. ALL-BRAN is also a rich source of blood-building iron.

The "bulk" in ALL-BRAN is much like that found in leafy vegetables. Within the body, it forms a soft mass. Gently, it clears out the intestinal wastes.

Isn't this "cereal way" 'safer and far more pleasant than taking patent medicines - so often harmful? Two tablespoonfuls of ALL-BRAN daily are usually sufficient. With each meal in chronic cases. If seriously ill, see your doctor - ALL-Bran is not a "cure-all."

Enjoy ALL-BRAN as a cereal, or use in cooking. Get the red-andgreen package at your grocer's. Made by Kellogg in London, Ont.
