It's so convenient to keep a package of Kellogg's ALL-BRAN in the kitchen. Serve it as a cereal. Use it also as a healthful ingredient in your cooking. For muffins, breads,

ALL-BRAN brings your family the "bulk" that is so helpful in correcting common constipation.

Two tablespoonfuls daily are usually sufficient. In severe cases, with each meal. How much better than risking patent medicines! Laboratory tests show Kellogg's

ALL-BRAN supplies "bulk" and ritamin B to aid regular habits. This "bulk" is similar to that in leafy vegetables. ALL-BRAN is also rich in iron for the blood.

Special processes of cooking and flavoring make Kellogg's ALL-BRAN finer, softer, more palatable than ordinary raw bran.

with only flavoring added - it brings you more "bulk" than partbran products.

Get the red-and-green package at your grocer's. Made by Kellogg in London, Ontario.
