Federal Member's Greeting

I gladly take this opportunity to congratulate the Canadian Legion upon its achievement in such substantial quarters, and the public spiritedness the returned men have manifested in providing them. I wish them continued success in their objects.

OLOF HANSON, M.P.

New Canadian Legion Building Is Decided Asset to City And Real Credit to Local Branch

The opening of the new addition to the Canadian Legion is appropriately enough made the occasion of a notable ceremony. The addition, forty feet by twenty-five feet, makes the completed structure a concrete building a hundred feet in depth with a twenty-five foot frontage. Finished in California stucco in cream with canopy, name and date of completion outlined in red, the whole is a decided asset to the city and a credit to the branch.

On the ground floor are a billiard room and bar, on the first floor the Women's Auxiliary Rooms, including meeting room, kitchen, etc., and the general meeting room of the club. This has a fine outlook over the harbor. The secretary's office is also on this floor.

When an examination of the former front part revealed the bad state of disrepair a building committee was formed under the able leadership of the president, J. Preece, and with the active secretary-treasurer, J. S. Wilson, proceeded to make plans for the rebuilding of the front part. Members of this committee were C. V. Evitt, S. A. Bird, James Watt, T. Silversides and W. Brass. Of these W. Brass was responsible for the making of plans and S. A. Bird was in charge of construction. All the material has been obtained through local firms, the work done by local contractors and the labor as far as possible by returned men. Thus all the money has been laid out in the city and undoubtedly has been of much assistance in providing a considerable payroll.

All citizens will join in congratulating the branch on their fine building which shows the faith they have in the community and in the future of the city.

Said Mass For Their Mother

Requiem Rites Conducted at Local
Catholic Church This Morning
By Fathers Joseph and
Elphege Allard

Father Joseph Allard O. M. I. of Atlin and Father Elphege Allard O. M. I. of the Liard River, two well known Roman Catholic Church missionaries of this district, officiated this morning at the Church of the Annunciation here at a solemn requiem mass for the repose of the soul of their aged mother, Mrs. Marie Allard, whose death occurred last week in the Province of Quebec. Father J. Byrne Grant O. M. I., the parish priest, assisted in the mass at which there was a large attendance of those desirous of expressing their sympathy for the two bereaved fathers. There was special music with Charles P. Balagno, church organist, accompanying.

Father Joseph Allard and Father Elphege Allard will both sail for the north on the Princess Norah tomorrow morning, the former going to Whitehorse whence he will proceed later to Atlin to be stationed for the summer and the latter going into the Liard River district for the season after having spent the winter at Fort St. James whence he arrived here on last night's train.

WHIFFLETS From the Waterfront

Skipper M. M. Stephens will put out tonight with the Vera S. Frye on a week-end angling expedition to Warke Canal which will extend over Victoria Day and until Sunday night. Mr. Stephens will have as his guests Jack Armstrong, All Morris and Jack Bulger, Bill's Lake and Leverson Lake will probably be visited.

The special excursion of the steamer Prince Rupert to Port Simpson tomorrow promises to be a popular and well patronized outing. Already bookings are reported to be quite heavy. The weather prospects, of course, will be awaited before many decide to make the trip and, should they be favorable, no doubt several hundred people will go. The Port Simpson folk are making plans to receive many visitors for the day. The Prince Rupert was to take a turn around the harbor today for compass adjusting and will then tie up at the C. N. R. dock. Following the Port Simpson excursion, she will sail for Vancouver early Friday morning.

Union steamer Catala, Capt. A. A. Dickson, coming south from Stewart to Prince Rupert yesterday morning, called again at Big Bay to load boxes from the McAfee & Sunbury mill there for delivery to the Canadian Fishing Co.'s cannery and cold storage plant at Butedale. The Catala has been making calls fortnightly at Georgetown recently to load boxes for Butedale.

Two Canadian National Steamships coast liners are in port today from the south. At 1 o'clock this morning the steamer Prince John, Capt. Edward Mabbs, arrived in port from Vancouver via the Queen Charlotte Islands with passengers, mail and freight and will be here until 10 o'clock Friday night when she will sail on her return south over the same route. At 11:45 the steamer Prince George, Capt. H. E. Neiden, arrived in port from Vancouver, Powell River and Ocean Falls and will sail at 4 o'clock this afternoon for Anyox and Stewart whence she will return here tomorrow evening southbound.

Empire Day Tea And Sale Success

Delightful Affair Held Yesterday
Afternoon at Home of Mrs.
J. R. Morison

A successful Empire Day tea was held yesterday afternoon under the auspices of Queen Mary Chapter, Imperial Order, Daughters of the Empire, at the home of Mrs. J. R. Morison, Leed's Block, Second Street. The rooms were decorated with red, white and blue streamers and flags.

The guests were received by the hostess and Mrs. J. E. Boddie, resident.

Mrs. S. V. Cox had charge of the tea room. Mrs. D. C. Stuart poured assisted by Mrs. Boddie. Serviteurs were Mrs. T. McMeekin, Mrs. W. C. Aspinall and Mrs. J. A. Teng. Home booking was in charge of Mrs. C. J. Norrington. There was tea cup reading and palmistry by Mrs. W. Brass. Mrs. J. M. Simpson acted as cashier.

A Japanese kimono, donated by Mrs. Morison, was raffled and won by Mrs. G. W. Abbott with ticket No. 106.

A chicken was won by Mrs. J. Preece by guessing the weight, her guess being three pounds, 12 ounces. The correct weight was three pounds and 13 ounces.

LOCAL NEWS

Mrs. C. H. Orme and son, Bob, are leaving on this afternoon's train for Lakelse Lake for a brief visit. They will return to the city Saturday evening.

Olof Hamnes, who has been in the city for the past week following a visit to his native home in Norway, will sail by the Princess Norah tomorrow morning for Juneau where he lives.

Mrs. J. B. Gibson, Diocesan President of the Caledonia Woman's Auxiliary, returned to the city on last evening's train from a visit to the Woman's Auxiliary branches as far east as Vanderhoof.

There were about twenty-five couples in attendance at a dance held Monday night in the Moose Hall by Julius Welle's Orchestra, an enjoyable time being spent until midnight by those present. James Tardy was master of ceremonies.
