ELECTRIC COCKING

The first electrically cooked meal you serve will find instant favor with all the family. Each dish has retained its full nourishment value. There is very little shrinkage of meats. The perfect, even electrical heat assures everything being done just to a turn with a minimum of worry on your part. And how cool and clean your kitchen is. Electric cooking ends mealtime drudgery; eliminates the cost and inconvenience of kindling and coal; makes ashes and soot things of the past. Electric cooking means economical cooking from every and as low as angle. And, for the average size family, 53 a month. it costs as little as \$3 a month.
