British Columbia In Need

Of New Economic Deal; Is

VICTORIA, Dec. 21: (CP)-British Columbia is

working its head off drumming up business in for-

eign markets which is then poured back into the pro-

tected markets of Eastern Canada with the result

that this province has an unfavorable trade balance

with the east which amounted last year to \$90,000,-

000, Premier T. D. Pattullo declared in a statement

yesterday rapping back at eastern critics of the pro-

vince's attempt to control interprovincial export un-

The whole business showed, Mr. Pattullo said, need

for adjustment of the economic relationship of the

province through a change in the federal constitu-

Political Observers Expect Federal Contest Then-Tory Organizer is Named

OTTAWA Dec. 21: (CP)-The Conservative party will start preparations for the Dominion election campaign soon after the Christmas and New Year holidays, it is believed in political quarters

J. Earl Lawson K.C. M.P. for West York, will be the party's new Dominion organizer, it was learned yesterday in unofficial but reliable quarters.

No official announcement has yet been made of the election date but it is said in well-informed quarters that it has been tentatively fixed to take place early in October. Much, however, may depend upon what happens at the forthcoming session of Parliament. There are possible developments which may bring on the contest much earlier. boat crew from the German steamer
