## Faster Way Found to Relieve Headaches

NOW PAIN OFTEN RELIEVED IN MINUTES!

Remember the pictures below when you want fast relief from pain. Read and get the method described—Aspirin.

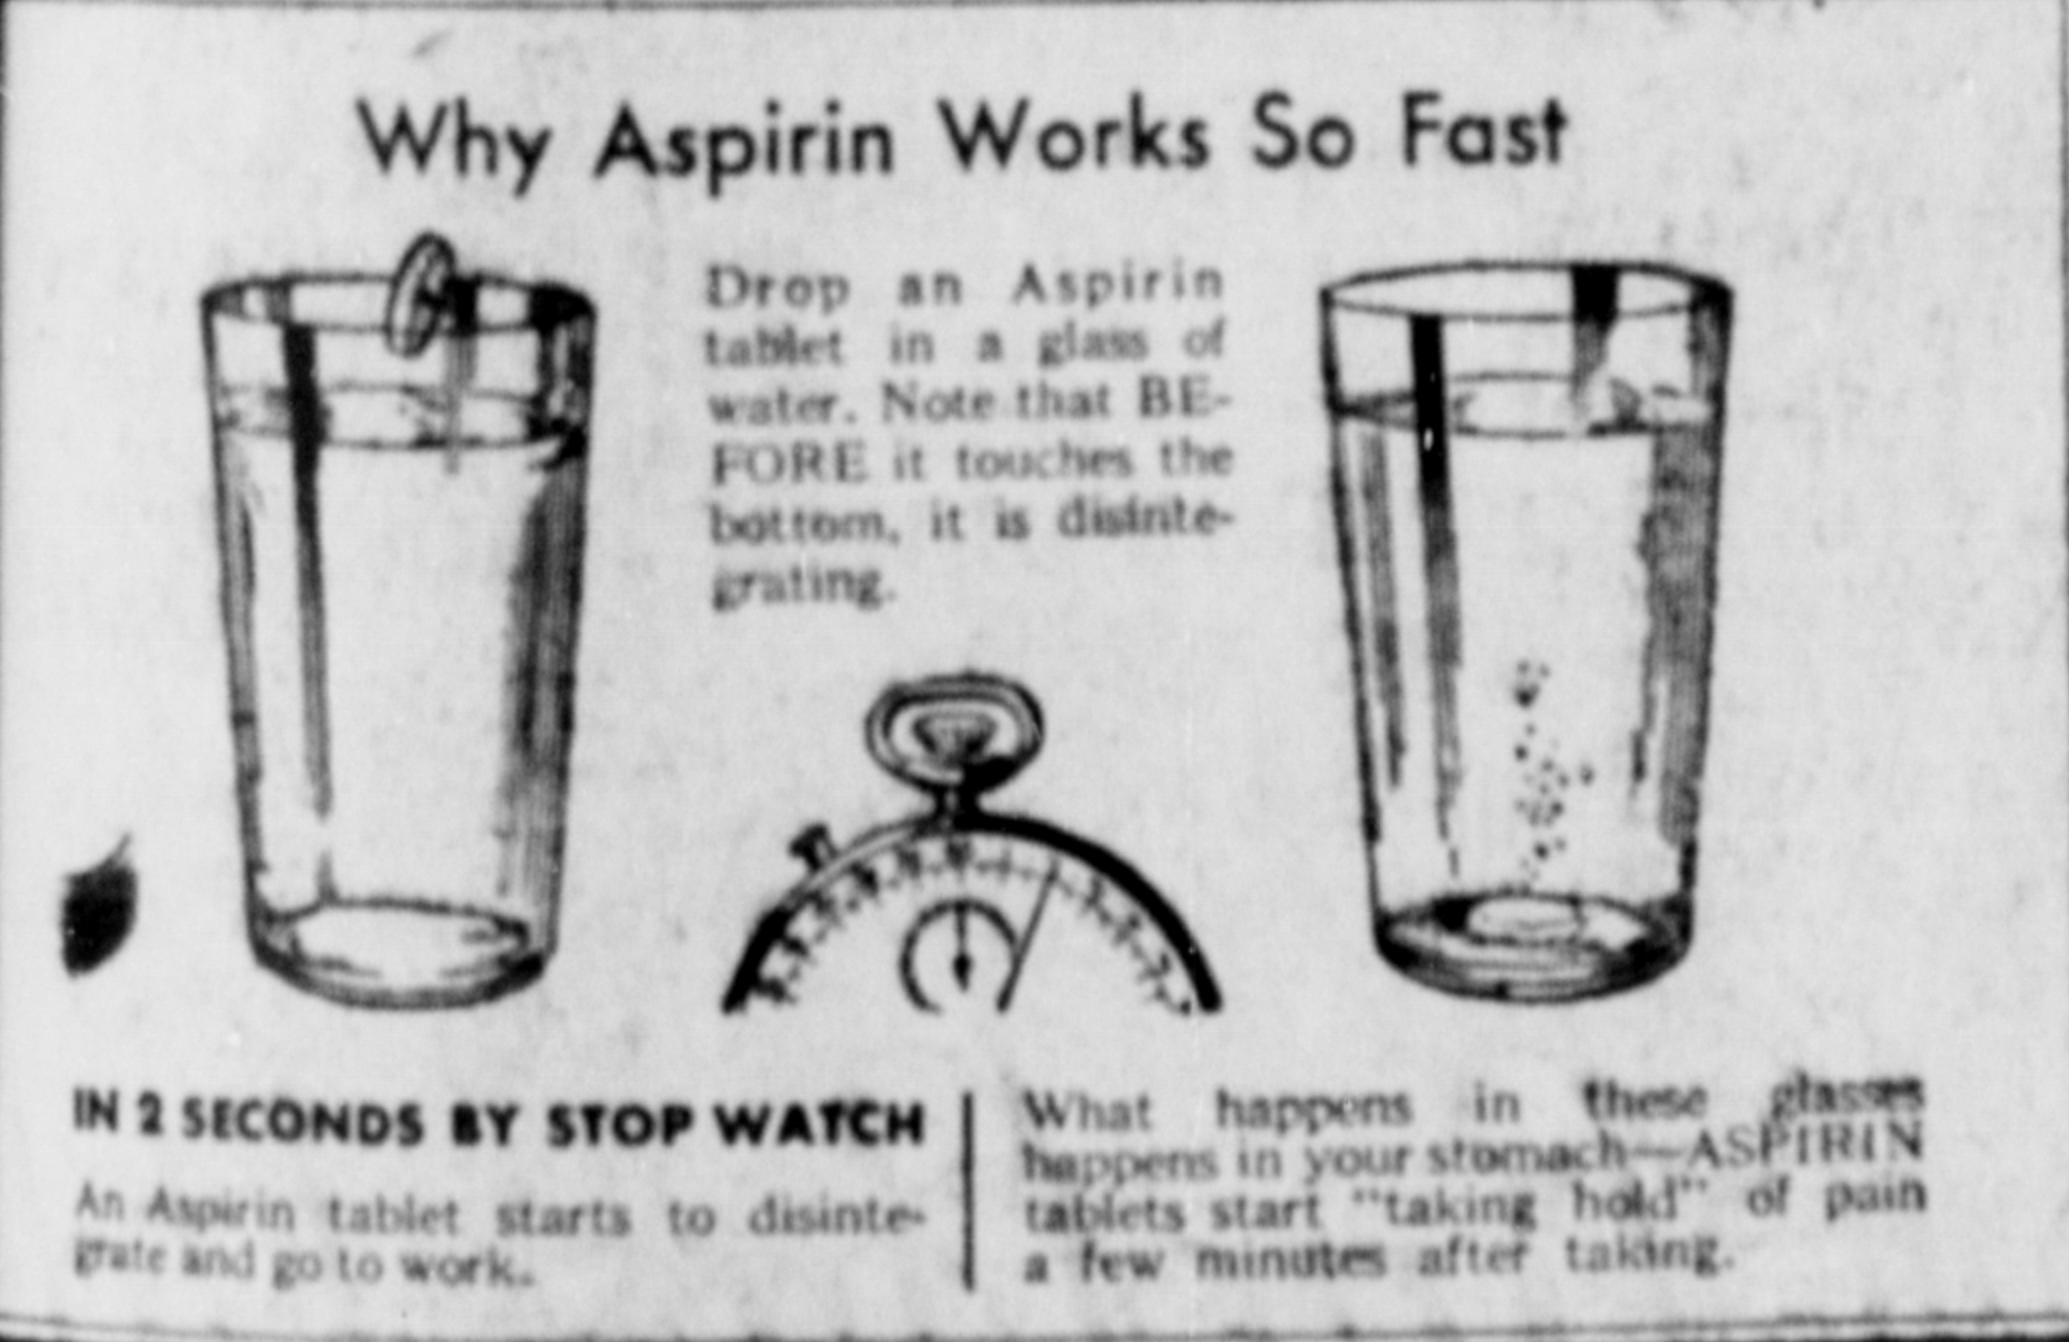

Millions have found that Aspirin relieves even a bad headache, neuritis, rheumatic pain often in a few minutes!

Put the Aspirin tablet in the glass, as an Aspirin tablet starts to disintegrate, almost the instant it touches moisture. It becomes "taking hold" of your pain

practically as soon as you swallow it. Equally important, Aspirin is safe. For scientific tests show this: Aspirin does not harm the heart.

Remember these two points: Aspirin Speed and Aspirin Safety. And, see that you get ASPIRIN. It is made in Canada, and all druggists have it. Look for the name Bayer in the form of a cross on every Aspirin tablet.

Get tin of 12 tablets or economical bottle of 24 or 100 at any druggist's.
