Dominions, of Course, Have Full Say As To Japanese Restriction

Formal Protest Against Newly Imposed Adverse Quotas Will be First Gun Fired by Tokyo, it is Indicated in High Government Quarters

LONDON, May 9: (CP)-While the British government would like to see the great Dominions follow its lead in imposing restrictions on Japanese exports to the colonies and British Isles, the government fully realizes that any such step would be purely a matter for the initiative of the Dominion governments. It was intimated that the

itely expect any such action. Protest By Japan

TOKYO, May 9: (CP)-Formal newly imposed quotas on Japanese imports will likely be the first gun fired by Japan in the trade war, it was indicated in high government quarters today.

McGettigan Awarded \$915 From Canadian National Railways in Supreme Court

Mr. Justice Harold B. Robertson, in Supreme Court here today, allowed a total of \$915 to P. J. McGetigan of Savory against the Canadian National Railways in a suit involving the running over of cattle belonging to plaintiff by engines and trains of the defendant company. The plaintiff sued originally for approximately \$2000, about \$300 of which was abandoned before the suit was heard. Thirty animals were involved, these, it being claimed, having been killed over a period of about two years. The \$915 allowed was in respect of seventeer animals. Costs were ordered set off between the two parties in accordance with the amount recovered. L. W. Patmore acted as counse! the plaintiff and J. T. Harvey for defendant.

The hearing of this case concluded the spring session of the Supreme Court here. In a second civil case which was on the list. Charles Biggart vs. J. A. Johansen and John Iverson in which \$1500 i claimed by plaintiff on a promissory note, the suit as far as Iversor 18 concerned has been dropped while the action against Johanser is stood over until next court. A divorce petition of Joseph Paulis vs. Evelyn Paulis has also been set over antil next court.
