### Prediction In Regard To Crop Situation Is Voiced by Authority

Sir Herbert Robson Says That Grain Yield Has Never Been so Seriously Affected by Adverse Weather Conditions in Forty Years

LONDON, July 19: (CP)—Prediction that during the next twelve months, starting with the new crop year of August 1, the world demand for wheat would be sufficient to take care of the potential supply was made today by Sir Herbert Robson, leading English grain trader and president of the London Corn Association.

"I venture to say that, during the past forty years, there has never been a season when crops have been so adversely affected by weather conditions," he declared.

### ROSE SHOW DREW MANY

Directors of Horticultural Society Much Pleased With Success Of Flower Display

Four hundred persons paid admission to the rose and flower show yesterday, the total takings being exactly \$40. Five new members joined the Horticultural Society.

Great interest was taken by all the visitors in the various exhibits and many expressed their intention to grow some of the flowers they had seen, especially roses.

The directors of the Horticultural Society were much pleased with the success of their efforts.
