THE PEOPLE WHO PAY

The Telegraph-Journal of Saint John, N.B., is broad-centre of parliamentary skirmishes casting to other newspapers in the Dominion a plea for the in which administrations were in nationalizing of the tariff. The article shows how both the the balance. east and the west are penalized through the application of Forke to the swiftest waters of the Billy Bagshaw, as usual, doing his Both are situated almost at the top the tariff. It takes as an example the cost of automobiles. political channel was the Progres-Not only do the cars cost more as a result of the high tar- sive party's success in 1921, when iff, as seen by comparison of the prices charged on this they captured 64 seats and held a lively affair. Chuck being at his side of the boundary line and on the other, but the west has the balance of power. An alliance best. The curtain raiser was beto pay heavy freight charges which are superimposed on soon after he entered the House, who put on three fast rounds rethe cost of the article in the factory. This makes the cost Robert Forke, the Pioneer of Pipe- sulting in a draw. very high to the consumer.

The suggestion made is that all articles which enjoy the jockeying. privilege of a protective tariff should be sold at a uniform price throughout Canada, the people of Ontario and Quebec paying a little higher rate than at present and the east bad established by A. Crerar, who who challenged anyone in the and west getting a correspondingly low rate.

It is said that British Columbia, for instance, gets very his most trusted assistants and Healy took up the challenge anlittle if any advantage from the protective tariff whereas when Mr. Crerar resigned from the put up a good show but did no senbloom, light heavyweight cham-Ontario and Quebec benefit very considerably. The people leadership at a caucus in Winnipeg make the \$5. It was a veritable pion, and Joe Knight, the contenhave submitted to protection believing it would benefit the country but it is not reasonable that one section of the country should be benefitted at the expense of another. Brandon as his successor. The penalty on British Columbia is too great. We out west The party having split in the kept the fans shaking with laugh- ent. pay too much for the prosperity of Ontario and Quebec.

Here, then, is an opportunity for Mr. Bennett to do seats in the 1925 election but they something for the far east and the far west. If he would bert Forke held Brandon and coninsist on a uniform price for articles manufactured only in tinued his leadership of the group. the central provinces and withdraw protection from those working with the Liberals. A climax of the lodge. Andy Macdonald was cribbage League fixtures scheduled and butter prices has just taken meeting of the Stewart General who do not give it, the argument against a protective tar- came over disclosures in customs iff would be weakened very considerably.

POLITICAL

WINNIPEG, Feb. 6: (CP)—The FINE SHOW vagaries of political life were illustrated never more realistically than in the career of Hon. Robert Forke, Manitoba farmer, who rose from the position of an immigrant youth to power over the life of governments. He died in Winnipeg late last week and was laid to rest with simple rites from his home in the village of Pipestone at the week-

In 1921, a 61-year old successful farmer, he entered the political field as successful Progressive candidate in Brandon, Man. The end of Tuesday, Feb. 6, 1934 1929 saw him in the senate. In the tional farm party, held a cabinet ministry, and become the storm-

stone, was the centre of political In wrestling Max Craman gon
