TASTE the fresh sweet flavor of pure country cream! Blending so well in savory soups, giving rich velvety body to saucesthere's nothing like St. Charles Evaporated Milk to make good meals better.

St. Charles Milk is evaporated to creamy richness. All herds are rigidly inspected—plants are spotless and shining. Sixty per cent. of the natural water is removed and nothing is added. No wonder St. Charles is the safest, finest flavored milk you can buy.

Moose Defeats C. N. R. A. in One o Most Speetacular Games Seen Here in Years

the most spectacular and thrilling hoop games that has been seen in this city for many years when the Moose eked out a 38?37 win over the Canadian National Recreation Association last night. It was one of the fastest games seen in this town since the days when the Elks and the Sons of Canada used to play on the same floor ten years ago. It was a battle from start to finish.

The first half opened up with the C. N. R. A. funning in five baskets without any reply from the Moose. The Lodgemen took time out and then Wingham opened the scoring to start the battle. There was never more than two points difference in score till the last three minutes of play and then the train crew ran in two baskets without any reply from the Lodgemen to make the score 20-16 for the first half.

The Moose came right back at the start of the second half and tied the score and then the battle; started in real earnest with the crowd standing on their seats yelling for their favorites to try and break away and get a safe lead which the trainmen did with nine mnutes to go. The Lodge men called time out, then came back and cut down the lead till they were only one point behind: The score was 38-37 when Skinner sent Smith showerwards with four fouls tacked on him. Then the timekeeper called a technical foul on the C. N. R. A. sub which was disallowed by Skininer. This was the only hitch in a perfect game.

"Brick" Skinner did a perfect Job as referee and when the game got started again the lodge men were tryin gto hold their lead which they did, score still being 38-37 at the final gun.

Other Games

The girls from King Edward High School lost out to Anentte's 6-9 in a hectic Ladies' League game. At the interval the mannequins had a three-point lead, score being 6-3 but, on resumption of hostilities, Basketball Standing the students started to cram but failed at the finish to lose out by a

> The Canadian Legion, minus Christison and their strong supporters, lost out to the High School 26-18 in the Intermediate League. It was anybody's game from start to finish. Half time score was 7-all but in the second half the Students' 8- combination clicked and they ran in enough baskets to give them an 8point lead at the end.

> The Junior High School took the Boy Scouts into camp 23-15. "Kiddo" Fulton was largely responsible for the win as he went on a shooting orgy to gather himself 12 points.
