#### United States is Repenting For Its Vicious Example Of High Tariff, Says Secretary

NEW YORK, Nov. 2: (CP)-Admitting that the United States had set a "vicious example of high tariffs," Secretary of State Cordell Hull, in an address read to the Foreign Trade Association, at its annual conference here last night, declared: "We have repented."

"Extreme nationalism, if persisted in, is destined soon to wreck our entire structure of western civilization," the Secretary of State declared.

# Former Minister of Trade and Commerce Active in Committee

Takes Up Question of Low Earnings of Independent Operators in Comparison With Company Men-Brittain to be Questioned

OTTAWA, Nov. 2: (CP)-Hon. H. H. Stevens, former minister of trade and commerce, before the mass buying and price spreads committee, of which he recently resigned as chairman, yesterday afternoon took up the question of low earnings of Nova Scotia fishermen and gave notice of several pointed questions he would ask of A. H. Brittain of Montreal, president of the Na- # -

While individual fishermen netted from \$100 to \$200 for a season's work, the National Fish Co., declared Mr. Stevens, paid captains of trawlers \$5000 a year, ranging down to ordinary fishermen aboard the trawlers earning \$1300. There was a tremendous discrepancy between the fishermen's earnings and the wages of the trawler crews, the former minister declared. An extra HAVE DROWNED time fishermen from a state of pencent a pound would remove marinot cut into the earnings of the
