Local Material Being Used Exclusively-Red Cedar Said to Outlast Anything Else

Considerable improvement is being made on the Queen Charlotte Islands Marine Drive between Port Clements and Queen Charlotte City via Tlell, certain stretches of which particularly on the southern end in the vicinity of Skidegate, can be truthfully stated to compare favorably with any road in the province. Incidentally, it is one of the finest scenic drives in the west as all who have been over it will readily tes- ing to have him reinstated in em-
