## BABY'S HEAT IRRITATION Relieved!

In hot weather, stomach disorders and indigestion occur more frequently. Also children may play too hard. Mrs. Mary Mason, 53 Atlantic St., Halifax, N.S., says: "When the children are overtired and restless in warm weather I give them Baby's Own Tablets before retiring and in the morning they are happy, contented children." Safe even for the tiniest baby, these sweet little tablets effectively relieve colic, summer complaint, simple fever and all minor disorders.
