The regular monthly meeting of the board of directors of the Prince Rupert General Hospital was held last night in the hospital. Those present were: G. V. Wilkinson, president; W. M. Brown, R. E. Benson, S. D. Macdonald and Frank Dibb, directors; Miss Jean Harrison R.N., lady superintendent, and H. W. Birch, managing secretary.

The question of future operation of the ambulance was again discussed at the meeting of the hospital board last night and was finally left in the hands of a special committee comprising Frank Dibb and W. M. Brown. There was some uncertainty as to whether Matt Videck, who has been ill of late, may be able to continue operating the ambulance.

Miss Jean Harrison R.N., lady superintendent, in her monthly report at the meeting of the hospital board last night, reported that the institution was rather quiet at the present time although the work was going along smoothly. NO MORE COUGHING, SLEEPLESS NIGHTS FOR MR. HARRY ALLAN

BUCKLEY'S MIXTURE certainly makes short work of these stubborn old hang-on coughs and colds, that no other cough remedy will budge, according to Mr. H. A. Allan, of Sarnia, Ontario.

Mr. Allan says: "For years I suffered every Fall and Winter with a terrible cough and chest cold. I have had many sleepless nights and coughed until tears ran, and my stomach ached. I tried many different cough mixtures, but got very little relief. I started again with the same old cough about October first—but after a few doses of BUCKLEY'S MIXTURE my cough was gone."

Millions of your fellow Canadians will say, "Sure, that's right. It did the same for me." If you have a cough, cold, 'flu or bronchitis, just try BUCKLEY'S MIXTURE. It acts like a flash—a single sip proves it. Play safe. Refuse substitutes. Buckley's is sold everywhere.

President G. V. Wilkinson, at last night's meeting of the hospital board, brought up the question of advisability of continuing to pay taxes on a parcel of land on Overlook Street which was purchased some years ago in the prospect of using it for the erection of a new hospital. The question will be considered meantime by the directors and will come up again, it is expected, at the March meeting of the board.

On recommendation of the finance committee, the hospital board last night refused to accede to a request of the Corporation of the Village of Stewart that cash settlement of $50 be allowed in the account of John McCormick, a patient in he institution from the northern municipality, which now amounts to $136 in sofar as the municipal per diem payment is concerned. Henceforth Stewart municipality offered to pay the grant covering the patient regularly each month. The local board, instead of cutting the past due account, felt that regular monthly payments might be made until it was cleared off.
