Commissioner J. A. Grant Sees The Beginning of End of Depression When New Law Comes Into Force

British Columbia imports three million dollars worth of grain, five and a half million dollars worth of livestock and two and a half million dollars worth of butter, said J. A. Grant, markets commissioner for B. C. at the Rotary Club luncheon yesterday. On the other hand most other products more than supply the local need and the surplus has to be exported. It is in order to handle profitably this exportable surplus and to see that there is a proper distribution for local consumption that the Marketing Act was passed several years ago.

For four years this act operated and it was a fact that the fruit business of the province was never so profitable to the growers as during those four years.

Now new marketing legislation had been framed based largely on the British law and all the provinces of Canada were moving in the same direction. This law, when it came into force, would be designed to give the farmers and fruit growers a reasonable return for their efforts and, at the same time to give good service to the consumers. Mr. Grant prophesied that the new law coming into force would witness the beginning of the end of the depression. When the farmers got value for what they produced it would start the wheels turning which would tend to make everyone prosperous. Whether Northern British Columbia came under the Act or not prices would be influenced by it just the same.

At the close, Mr. Grant was thanked by President John Dybhavn for his interesting and instructive address.

LECTURED BEFORE ARMY

Dr. Joseph T. Mandy, resident mining engineer, gave an interesting travelogue lecture at the Salvation Army Citadel last night. Sunday School prizes were presented by Mrs. Mandy. There was a large attendance.

FINE MUSIC SHOW HERE

"Footlight Parade" at Capitol This Week-End, is Spectacular Production

With many original and beautiful ensembles, a hilarious comedy drama plot, several highly popular song hits and a romantic love interest to say nothing of a great cast, the new musical spectacle "Footlight Parade," coming to the Capitol Theatre here this week-end, is said to surpass the most, if not all, of its colorful predecessors of similar type.

The story is that of a young musical comedy director who loses his job when talking pictures supplant musicals on the stage and turns to making prologues for motion picture theatres on a wholesale scale. There is a definite and well knit plot with riotously funny situations and sparkling comedy. James Cagney, Joan Blondell, Ruby Keeler and Dick Powell provide the love interest while the hilarity is furnished to a large extent by Frank McHugh, Guy Kibbee, Ruth Donnelly and Hugh Herbert.

Among effective and unique ensemble numbers are "By a Waterfall," "Honeymoon Hotel" and "Shanghai Lil," each of which is well known and a popular hit.

School Teacher Killed by Train

Bomb Delivered to City Analyst Vance in Vancouver But Is Discovered in Time

VANCOUVER, March 9: (CP)—A small bomb enclosed in a small handkerchief box and containing nitro-glycerine was received Wednesday by Inspector J. F. C. B. Vance, city analyst and head of the police bureau of investigation, whose scientific evidence recently has resulted in the sending of a number of important criminals to prison.

The bomb went through the customary mail routine at police headquarters before reaching Vance's office. His suspicions were aroused when writing on the box corresponded with writing on numerous threatening letters which he has received.

OFF COLOUR? HOW IS YOUR LIVER?

Wake up your Liver Bile —Without Calomel

Your liver's a very small organ, but it certainly can put your digestive and eliminative organs out of kilter, by refusing to pour out its daily two pounds of liquid bile into your bowels. You won't completely correct such a condition by taking salts, oil, mineral water, laxative candy or chewing gum, or roughage. When they've moved your bowels they're through—and you need a liver stimulant.

Carter's Little Liver Pills will soon bring back the sunshine into your life. They're purely vegetable. Safe. Sure. Ask for them by name. Refuse substitutes. 25c at all druggists. 48
