Gordon Wallace Scores Decisive Victory to Go Into Forefront Of Welter Ranks

VANCOUVER, Nov. 8: (CP)-

Gordon Wallace of Vancouver moved definitely into the forefront of the welterweight pugilistic division last night when he won an unquestioned decision over Billy Townsend of Nanaimo in fifteen lively rounds. The bout was billed as being for the Canadian welterweight championship.

It was a decisive victory for Wallace who built up an early lead on points, stepping in, after the first two rounds, with a left jab and right cross to score three knockdowns over Townsend in the eighth, tenth and eleventh rounds. Townsend took the count of nine on his knees each time.

Billy essayed a valiant comeback in the last three rounds and on one occasion almost had Wallace in distress as he staked everything in trying for a knockout, his only chance of winning. He could not finish Wallace although he won the final round.

Taylor and McGeer May Have Mayoralty Fight in Vancouver To Themselves

VANCOUVER, Nov. 8: (CP)-Unless a dark horse enters the field, it is beginning to appear that Mayor Louis D. Taylor and G. G. McGeer K.C., M.L.A., both of whom have definitely announced themselves, will be the only candidates in the field for the mayoralty of Vancouver on December 12 at the civic elections. A number of other candidates had been in the field but all have now dropped out.

It looks like a close fight with plenty of action.

Road Traffic Is Restored

Temporary Repairs Made to Bella Coola-Hagensborg Road Following Recent Floods

Road traffic has been restored between Bella Coola and Hagensborg villages in the Bella Coola valley following recent floods which washed out several bridges and inundated the road at several points. Temporary repairs are now being made to the old road by the department of public works pending decision as to what is to be done in the way of permanent work. With the exception of two or three families, all the people who were forced to vacate their houses during the high water have now returned to their homes.
