PRIZE LIST OF FLOWERS

Arrangements Made For the Show To Be Held August 21

There was a joint meeting last night of the flower show committee and the finance committee of the Fair Board for the purpose of arranging a prize list for the flower show and also planning for the advertising for the big event the week after next.

Owing to the financial condition it was found necessary to curtail the number of classes for flowers and to cut down the amount given in prizes. In all cases but two the first prize will be two dollars for first prize and one dollar for second. The exceptions are for the best display of garden cut flowers for which one only prize of \$10 will be given and the best collection of sweet peas for which the prizes will be \$3.00 and \$2.00.

As no printed prize lists are to be issued flower growers are asked to save this one:

REGAINED APPETITE AND WEIGHT WITH KELLOGG'S ALL-BRAN

Cereal Relieved His Constipation

If you are a sufferer from headaches, loss of appetite and energy, sleeplessness, or any other of the frequent effects of constipation, read this enthusiastic letter from Mr. McIntyre:

"For a long time my system was not in very good working order. But since eating Kellogg's ALL-BRAN, I have regained my appetite and my lost weight. And my system is in good working order. Kellogg's ALL-BRAN sure does the trick."—Mr. J. A. McIntyre (address furnished upon request).

Tests show Kellogg's ALL-BRAN provides the "bulk" needed to relieve ordinary constipation. It also contains vitamin B and iron for the blood.

You'll enjoy this delicious and healthful ready-to-eat cereal. Serve it with milk or cream—or use often in cooking.

Just eat two tablespoonfuls daily. Chronic cases, with each meal. If not relieved this way, see your doctor.

Kellogg's ALL-BRAN is all bran with only necessary flavoring added. It contains much more needed "bulk" than part-bran products. Made by Kellogg in London, Ont.

Other business before the council included a communication from the Association of the Blind in Vancouver asking for a donation, this being laid on the table until after Labor Day.

WILD LIFE FILM HERE

Exploits of Frank Buck on Jungle Expedition Depicted This Week-End on Screen

Another exciting delineation of wild life in the Asiatic jungles comes to the screen of the Capitol Theatre here this week-end in "Wild Cargo," featuring thrilling exploits of Frank Buck on one of his expeditions for the purpose of capturing wild animals alive to execute orders from zoos. Two photographers with still and motion picture cameras followed Buck's every move and succeeded in recording scenes depicting the hazards which attended him as he sought his prey. Buck had two narrow escapes from death, both times with snakes. Once a thirty foot python wound about his right arm and on the other occasion he was cornered by a huge cobra. Only his experience enabled him to cope with the situations. Ingenious methods employed in the capturing of the beasts alive and uninjured are depicted.

Buck himself narrates the story with the film.
