## Cleaners In New Building

**Most Up-to-Date Plant North of Vancouver Installed Corner McBride and Fifth**

The Ideal Cleaners, who two months ago were forced to vacate the premises on Second Street near Third Avenue, are now established in a new building, specially erected for them, at the corner of McBride Street and Fifth Avenue.

The plant installed in the new building is the most up-to-date of any north of Vancouver. It has all the newest methods of modern cleaning establishments and will be able to turn out work of the highest class.

The plant will reopen for business tomorrow, Friday, and will undertake all kinds of cleaning and repair work, and dying. Hats will be cleaned and blocked, making them look like new.

The management of the Ideal Cleaners is expecting all the old customers back and extends an invitation to those who have not already given them a trial to visit the new establishment and give them an opportunity to show what they can do.

Cleaning today is a fine art and should not be entrusted to any but an expert.

## REINSTATING OF PENSIONS

**Canadian Legion Receives Gratifying Report at Meeting**

General satisfaction was expressed at the regular monthly meeting of the Canadian Legion last evening when the report of the Provincial Command was read advising that the long sustained agitation for the reinstatement of pensions had been successful. This applied to cases where the Pensions Board in their economy plans had reduced or cancelled pensions on technical grounds without giving the pensioner an opportunity to present his case.

Applications for regular membership from George Abbott, Harry Breen, George Fogerty and John McLeod were approved as well as one for associate membership from T. Glenn.

Preliminary plans for the opening ceremony in connection with the building were under discussion.

The billiard team was congratulated on its winning of the second half of the schedule and keen interest is being shown in the play-off.
