Mothers adopt Vicks Colds-Control Plan

Helps the Whole Family to Enjoy Greater Freedom from Colds

Doubly welcome to mothers is news that the makers of Vicks VapoRub have perfected a Plan for Better Control of Colds-to help reduce the number, duration and dangers of colds. Vicks Plan is introduced along with Vicks Va-tro-nol, the remarkable new aid in preventing colds-companion product to Vicks VapoRub, the modern method of treating colds. The Plan includes simple, easy-to-follow rules of health-to build resistance to colds.

Get these two Vicks products and use them as directed in Vicks Plan for Better Control of Colds. Full details of the Plan are given in each package of Vicks Va-tro-nol and Vicks VapoRub. Unless you are delighted with results, your druggist is authorized to refund your money.

BRIEFLY, HOW VICKS PLAN WORKS:

• TO HELP PREVENT COLDS • TO HELP SHORTEN A COLD

nol-just a few drops up each nostril. Especially designed for nose and upper throat-where most colds start-Va-tro-nol stimulates the functions which Nature has provided - in the nose - to prevent colds and to throw off colds in their early stages. Used in time, Va-tro-nol helps to avoid many colds entirely.

At that first stuffy feeling, that first nasal If a cold has already developed, apply irritation or sneeze, quick!-Vicks Va-tro- Vicks VapoRub at bedtime. VapoRub acts direct through the skin like a poultice or plaster, while its medicated vaporsreleased by body heat - are inhaled direct to inflamed air-passages. This double direct attack loosens phlegm-soothes irritated membranes-eases difficult breathing -helps break congestion. Often, by morning, the worst of the cold is over.
