PRINCE RUPERT DISTRICT PASSED UP IN RELIEF PROGRAM

Conservatives Are Swept Out Of Power Both In Ontario and Saskatchewan At Polls Tuesday

Liberals Elected Sixty-Five Out of Ninety Members in Traditionally Tory Province.

Eight Members Of Cabinet Beaten

Premier G. S. Henry Saves His Seat in Rout; Conservatives Elect Seventeen.

TORONTO, June 20: (CP)—Eight of the Conservative cabinet ministers suffering personal defeat although Premier George S. Henry was successful in being re-elected, the Liberal party, under leadership of Mitchell Hepburn, until very recently a member of the federal House, decisively overthrew the Conservative government in the traditionally Tory province of Ontario yesterday.

The Liberal victory was largely in the nature of a rout, the party winning sixty-five seats while the Conservatives were successful in seventeen, leaving eight for other parties—Liberal-Progressives, 4; C. C. F., 1; Independents, 1; Liberal-Labor, 1; United Farmer, 1.

Liberal Leader Mitchell Hepburn, aged 38, was personally elected. The only members of Premier Henry's cabinet to survive the landslide, besides the Premier, were Provincial Secretary Chalmers, Minister of Highways Macaulay and Attorney General Price.

It is almost thirty years since the Liberals have been in power in Ontario.

Traditionally Tory Toronto that had not returned any but Conservatives for many elections almost split even, electing seven Conservatives and six Liberals.

FRANCE ALSO HAVING DROUGHT; PARIS BAKES WITH 94 TEMPERATURE

PARIS, June 20:—As forest fires were raging in various parts of France while many power plants in the country, on account of the low level of rivers and streams, were forced to use steam instead of water in developing energy, Paris sweltered yesterday in temperature of 94, the day being the hottest the city has had in thirty years. Crops are reported to have not suffered greatly as yet from the drought.

Anderson Government Completely Wiped Out of Existence in Prairie Province Yesterday.

Premier and All Cabinet Defeated

Grits Win 49 Out of Fifty-Four Seats in House; Farmer-Laborites do Poorly.

REGINA, June 20: (CP)—With Premier J. T. M. Anderson and all ministers suffering personal defeat, the Conservative government, which has ruled the province of Saskatchewan for the past five years, was wiped out of existence at the polls yesterday, the Liberals having so far elected forty-nine members out of a house of fifty-five seats in the biggest political upset in the history of the province. The Farmer-Laborites, whom it was expected would make at least a fair showing in this key province of the Co-operative Commonwealth Federation movement, proved a great disappointment as far as the general results were concerned, being successful in electing only five members. Not one Conservative survived the landslide.

At 10:30 last night, the following had been elected:
Liberals, 33.
Farmer-Laborites, one.
Liberals were leading in seven seats, Conservatives in one and Farmer-Laborites in two.

Soon after the polls closed, the result of the contest was apparent, an early summary showing the Liberals to have elected six members while they were leading in twenty-eight seats, the Conservatives leading in ten at that time. The rural results were strongly Liberal.

C. C. F. Leader Beaten
M. J. Coldwell, leader of the Farmer-Labor party, which supported C. C. F. principles, was defeated in Regina.

The Liberals were led by Former Premier J. G. Gardiner.

One deferred election in Athabasca makes up the Legislature of fifty-five members.

Final returns today showed that not a single Conservative had been elected.

Girl Is Saved From "Coop Prison"

Held a prisoner in a vermin-infested chicken coop at her home for several months because her parents allegedly believed she was "possessed of the devil" and under a "witch spell", Mary Edarguary, seven-year-old Santa Anna, Calif., girl, is pictured in a hospital eating her first meal in weeks after being released by authorities. The little girl, assertedly denied food by her parents, was kept alive by the gifts of food from Jimmie Dunn, five-year-old neighbor boy, who is shown, inset, demonstrating how he passed food through the coop to the imprisoned girl.

Big Doings Planned For Prince Rupert During Week in August While Warship is Visiting Port

Convention of Associated Boards of Trade of Central British Columbia to Convene in City and Fall Fair Planned

There is every indication that Prince Rupert will be having a big fete week from August 20 to 25 judging from developments at a meeting of the council of the Prince Rupert Chamber of Commerce yesterday afternoon, John Dybhavn presiding. The council decided to accept a suggestion that the convention of the Associated Boards of Trade of Central British Columbia meet in Prince Rupert August 21 and 22 at the time when the big British warship Danae is in port and at the time when it is proposed to hold the annual fall fair.

It developed at the meeting that the Danae would arrive at Prince Rupert August 17 and remain for a week. This, it was thought, would prove an attraction for visitors, not only delegates to the convention but possibly others.

It also was announced that it was proposed to hold the fall fair that same week and it was thought it would be generally beneficial to have the delegates in Prince Rupert at the time of the fall fair. It was suggested that, possibly, the railway company would run an excursion to Prince Rupert that week which would bring a great many visitors from the interior and this would enable the city to hold a general fete for the entertainment of the delegates to the convention, the officers and crew of the warship \$0.000.

The Associated Boards of Trade convention had been arranged to take place at Vanderhoof but a letter received from the secretary of the Associated Boards at Smithers stated that the Vanderhoof people acquiesced in the change and it was thought the meeting should be held at Prince Rupert this year. If the date set proves acceptable to the delegates generally, as it probably will, delegates will arrive in the city on the Monday afternoon and leave Wednesday evening.
