Get Relief with Kellogg's ALL-BRAN

OF CONSTIPATION

Headaches, loss of appetite and energy, sallow complexions, and sleeplessness are often warning signs of common constipation. Unless checked, constipation may impair health.

Today, you can usually get rid of common constipation by eating delicious cereal. Laboratory tests show that Kellogg's ALL-BRAN provides "bulk" and vitamin B to aid regularity. ALL-BRAN is also a good source of blood-building iron.

The "bulk" in ALL-BRAN is much like that in leafy vegetables. Inside the body, it forms a soft mass. Gently, it clears the intestines of wastes. How much better than taking patent medicines. Two tablespoonfuls daily will

overcome most types of constipation. Chronic cases, with every meal. If seriously ill, see your doctor. ALL-BRAN is not a "cure-all."

Enjoy ALL-BRAN as a cereal, or use in cooking. Appetizing recipes on the red-and-green package. Atall grocers. Made by Kellogg in London, Ontario.
