What Prince Rupert Needs

Now that conditions are improving is a good time to begin to consider what improvements if any can be made in Prince Rupert. These may be in the form of criticisms or they may be constructive suggestions, preferably the latter. The idea is that suggestions made through these columns may be useful to public bodies in formulating a forward policy.

TEETHING TROUBLES

"My baby has five teeth and has never been sick since his birth, thanks to Baby's Own Tablets," mys Mrs. Alton A. Parcher, Glenalmond, Quebec. Baby's Own Tablets were originated by a doctor to help babies through teething. They soothe; act as a mild regulator, reduce fever and correct indigestion and diarrhoea. Even a tiny, delicate baby can safely and easily take them. 25c at all druggists.
