NOW WE KNOW

At last it is made clear to us why Prince Rupert did not No. 7 get a share of the appropriations for public works when July 20-No. 1 vs. No. 5; No. 3 vs. the big forty million pie was sliced up. It is because we did No. 8 not need it. In writing to Victoria in reply to a protest made against the small allotment for that city, Premier Bennett states that action was taken to meet the situation No. 8 where the necessities were greatest.

Possibly we should consider it a compliment to be left No. 5. out of government distribution. We should throw out our July 30-No. 3 vs. No. 9; No. 4 vs. chests and feel that we are better than these other poor No. 8. cities that are on the Dominion public works dole. True, No. 9. Prince Rupert affairs are in the hands of a receiver who Aug. 3-No. 1 vs. No. 4; No 7 vs. H. M. S. Danae to Defend Hanson finds it impossible to meet the obligations. But that is No. 9. nothing. We are not really indigent. At any rate, we are not sufficiently needy to get any help in the way of public No. 3. works. Vancouver is the real pauper. We should not have known if we had not come across Mr. Bennett's letter to No. 7. · Victoria.

METHOD OF ASSESSMENT

From Victoria we also learn a new wrinkle in making assessments of property values. There the assessor placed No. 1.* men on certain streets to count the number of people passing. Those streets that showed an increase in number of No. 4. pedestrians had their assessments increased. Presumably, No if there were any that decreased, the assessment rate would follow although the report did not indicate any de- No. 3 creases. The increases over last year ranged from twenty to thirty percent.

Dickens and Murray Banished From Play For Six Weeks as Result Of Dominion Day Incident

As a result of an incident during the final of the Dominion Day football cup last week. Henry Dickens of the Merchants and Johnny Murray of the Canadian Legion each drew six weeks' suspension from the Board of Control of the Prince Rupert Football Association at a meeting last night. Dickens and Murray were charged with fighting on the field and continuing hostilities on the sidelines. Two weeks' suspension was imposed for the one incident and four weeks for the other. In a statement following the meeting, the Board of Control let it be known that it was the intention to put down fighting between players, protesting at referee's decisions and such incidents and that the penalty imposed upon Dickens and Murray was to be considered by no means as a limit.

Guide to Correspondents

The Daily News welcomes correspondence on live topics of the day or any other subject of public interest, but letters must be brief and to the point. The long-winded correspondent has no place in modern journalism.

Every letter must be signed by the writer, not necessarily for publication but as a matter of good faith and courtesy. All unsigned documents go to the waste paper basket. Letters of a caustic character must have the signature appended for publication.

Letter should be written on one side of the paper only. Correspondents must avoid personalities and the language should be such as would be allowed in the ordinary rules of debate.
