League-High School Girls Win Over Grotto

Senior League-Grotto 27, Moose

Ladies' League-Grottettes High School 6.

Intermediate League-Warriors 24. Canadian Legion 26.

Junior League-Boy Scouts ! Scythians 15.

The Moose, making their first appearance of the season last night in the Senior basketball loop, took the Grotto into camp in a rough and hectic game by a score of 36 to 27. It was a close contest all the way with only two points difference in the scoring at half time, 15-13.

In the second half the Tobacconists tied the score only to lose ground again. It was anybody's game up to the last three minutes when the lodgemen ran in a few to win 36-27. -

Intermediate League

Warriors dropped another close game to the new entry in the Intermediate League, the Canadian Legion by two points, the score being 26-24. The Warriors were leading 13-8 in the first half but in the last period Nakamoto turned on the heat and led his teammates to their first victory. It was a fast and rough game with 23 fouls dished out by Referees Johnson and Mitchell. There is no doubt but that these intermediate games are as good as any on the program as the! boys are fighting all the way.

Ladies' League

A new all time feature was made in the ladies' tilt when the Co-eds held a 1-0 lead over the Grottettes at half time. Also it was the first victory the student girls have won in two seasons. They defeated a quintette 6-1 in a free shooting and missing game of basketball.

Junior League

Scythians put themselves firmly in first place by defeating the Boy Scouts in a Junior League fixture 15-9. The first half was evenly fought, ending 7-6 in favor of the Scythians but in the second half the Scouts' defence cracked and the Scythians tore in and piled up a good lead. Cromp was the outstanding star of the evening.
