Triple Island—Part cloudy, light southwest wind; light swell.

Langara Island — Clear, light southwest wind; sea moderate.

TWO STARS TEAMED UP

Janet Gaynor and Charles Farrell Here With James Dunn and Ginger Rogers

Those two very popular screen favorites, Janet Gaynor and Charles Farrell, are seen together again at the Capitol Theatre this week-end in "Change of Heart," it being the first occasion in eighteen months that they have been co-starred. With them appears a splendid cast headed by James Dunn and Ginger Rogers and also including Beryl Mercer and little Shirley Temple.

Two significant changes have been made in connection with the return to the screen of the Gaynor-Farrell team. "Change of Heart" is the first picture definitely to present Miss Gaynor in a grown-up role and it is the first to reveal the two stars in a realistic setting. Idealism is abandoned and they present brand-new portrayals to their admirers.

The story deals in human fashion with the joys and sorrows of four young people who, after leaving college, struggle against the trials and vicissitudes of a great city, the theme being a unique one.

The week-end program at the Capitol also includes the latest Laurel and Hardy comedy, the Silly Symphony "Big Bad Wolf" in technicolor, Chic Sale in "Old Chep" and a Metro news reel.

At the Rotary Club luncheon yesterday guests were R. L. McIntosh, Dr. J. P. Cade, W. Cruikshank, Dr. C. H. Hankinson, Capt. Gillatt and Ed. Lipsett.

Queen Charlotte Deer and Geese Are Plentiful

SKIDEGATE, Oct. 19:—The hunting season has opened on the Queen Charlotte Islands with plenty of deer but few hunters going out. Since the last hunting season, a very large increase in the number of deer on the Islands is noted.

Wild geese are also plentiful on the Islands this fall.

Healthy ...Happy...Wise!

COUNT those friends of yours who get a lot of happiness out of living. Health helps them see the bright side of things—smooths over the every-day bumps. They're happy *because* they're healthy.

Downcast days frequently follow common constipation. It may cause headaches, loss of appetite and energy. Yet it can be overcome usually by eating a delicious cereal.

Laboratory tests show Kellogg's ALL-BRAN supplies "bulk" and vitamin B to aid regularity. ALL-BRAN is also a rich source of blood-building iron.

The "bulk" in ALL-BRAN is much like that in leafy vegetables. Special processes of cooking and flavoring make Kellogg's ALL-BRAN more palatable than ordinary bran.

Two tablespoonfuls daily are usually sufficient. Chronic cases, with each meal. If not relieved this way, see your doctor.

Get the red-and-green package at your grocer's. Made by Kellogg in London, Ontario.

IMPORTANT!

Kellogg's ALL-BRAN—because it is *all bran* with only flavor added, gives you the generous amount of "bulk" needed to promote proper elimination.

It is recommended as much more efficient in relieving constipation than part-bran products which cannot contain as much "bulk."

Keep on the sunny side of life

W. K. Kellogg
