Commissioner Extends Invitation

To the People of Central and Northern British Columbia:—

Next week is to be an historic occasion. British and United States naval forces will visit the city at the same time. A Carnival and Flower Show is planned and the annual convention of the Boards of Trade of Central British Columbia is to be held in the city.

On behalf of the people of Prince Rupert I invite as many of you as can possibly make the trip to come to the city and help us extend a welcome to the visitors and take part in the festivities.

Since my appointment as commissioner I have endeavored to foster the spirit of co-operation between all the people of this part of the province. This is a great opportunity to make of Prince Rupert a meeting place where we may get to know each other better and discuss our mutual problems.

W. J. ALDER.

City Commissioner.

A GREAT OPPORTUNITY FOR VISITING LADIES

Many country visitors have said that the chief benefit from coming to Prince Rupert is that they are able to visit Annette's ladies' store and select a few gowns for present and future use.

During Carnival Week Annette will be present with a staff of assistants who will smilingly and pleasingly show visitors the large stock of dresses, coats, shoes, lingerie, hosiery and other articles of ladies' wear.

During the coming week evening clothes will be in demand. Annette is ready for the occasion with a supply of the latest creations. She also is well stocked with sports clothes, afternoon dresses and house dresses. It is a great opportunity for the prices are low and the goods are of excellent quality.

Visit the store while in the city and equip yourself with the latest and best.
