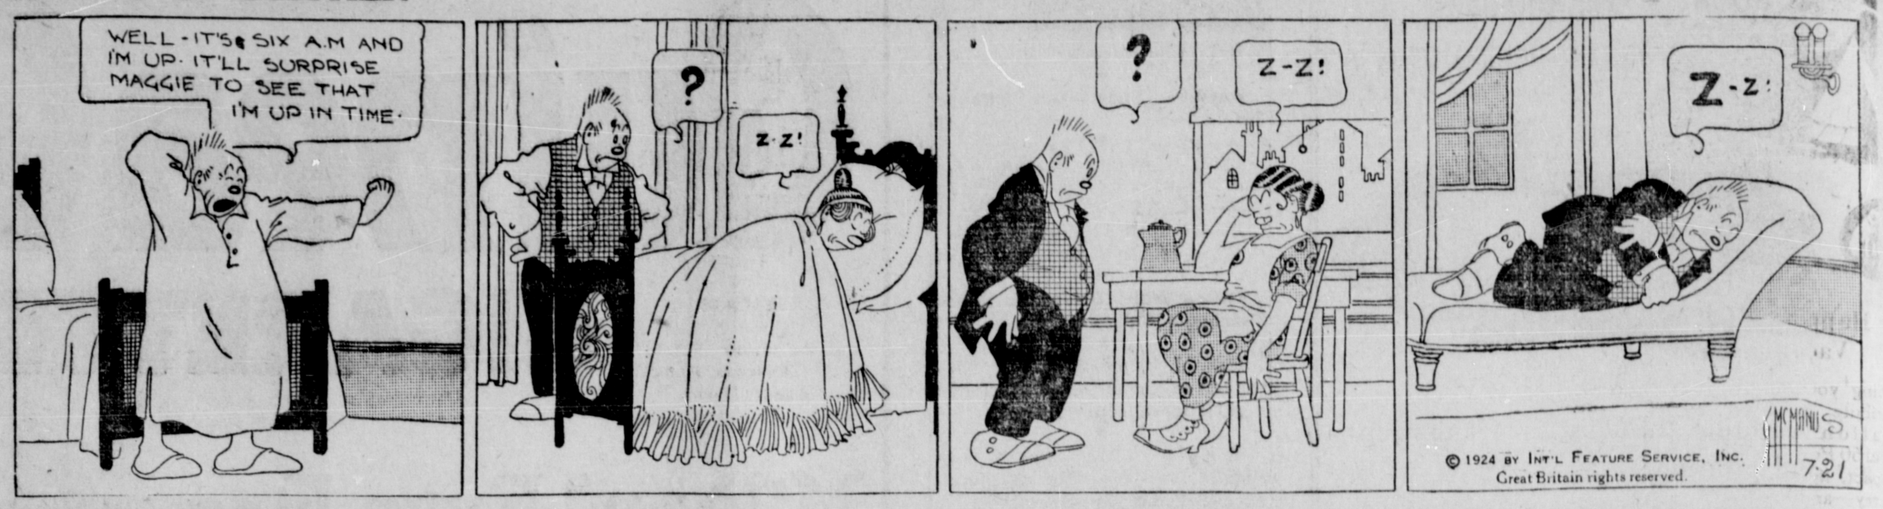
BRINGING UP FATHER

By George McManus



TWO DEER BAG LIMIT IS SET

Northern Section Allowed Smaller Bag Than Last Year.

The following extracts from the 1924 game regulations have special application here:

For the purpose of defining the open seasons for big game, game birds, and trapping of fur-bearing animals, the province is divided into three districts, to be known as the Northern, Eastern and Western districts.

"Northern District" includes the electoral district of Atlin and that portion lying to the north of the main line of the C. N.R. and to the east of the summit of the Cascade mountains.

"Eastern District" includes that portion lying to the east of the Cascade mountains and south of the main line of the C.N.R.

"Western District" includes that portion west of the Cascade mountains and south of the electoral district of Atlin.

Goat, Bear, Etc.

The open season for mountain goat throughout the eastern and northern districts, from September 1 to December 15, both dates inclusive.

Bear, throughout the northern district, open season from Sept. 1, 1924, to June 30, 1925. Throughout the eastern district from Sept. 15, 1924, to June 30, 1925, both dates inclusive. Throughout the western district, except Vancouver Island, from Sept. 1, 1924, to June 15, 1925.

Deer, bucks only, throughout the northern and eastern districts, from Sept. 15, 1924, to Dec. 15, 1924. In the western district, bucks only, except on Queen Charlotte Islands and North and South Saanich, from Sept. 13 to Nov. 30.

Fur-Bearing Animals.

In the northern and eastern districts, all fur-bearing animals (except Beaver), north of the main line of the C.P.R., open from Nov. 15, 11924, to April 30, 1925. Beaver, in the northern district, and in the electoral districts of Skeena, Omineca and Fort George, situate and lying in the eastern district, from Nov. 15, 1924, to April 30, 1925. In the western district, all furbearing animals, except Beaver, open season from Dec. 1, 1924, to March 31, 1925.

Beaver, in that portion of the western district known as the Prince Rupert and Skeena electoral districts, from Dec. 1, 1924, to March 31, 1925.

Bag Limits.

No person shall anywhere in the northern and eastern districts kill or take or have in their possession during the open season more than two deer, all of which must be of the male sex; and in the western district more than three deer, all of which must be of the male sex, or more than three bear of any species other than grizzly.

The open season declared by these regulations shall not apply to Kaien Island, in the Prince Rupert electoral district.

Sport Chat

A title wrestling bout is to be staged in the Empress theatre, on August 5, between Nels Jepson, of Edmonton, champion light-heavyweight of Canada and Jack Burns, an unknown quality from Spokane. As the bout will be for the Canadian light-heavyweight championship, it will doubtless be a big drawing card and one of the best sporting events ever staged in the city. Burns seems to have rather an enviable record in the wrestling game and has met and defeated such men as Chas. Gustafson, one time champion of Canada; S. C. Curtis, of Wisconsin; Carl Van Wurden, of Ottawa; Ernie May, the cyclone black; Anton Peterson, Stanley Rogers, Chas. Noteboom, international police champion of the United States, and many others.

It is evident that Jepson, from the fact that he is the Canadian champion in his class, is a fine wrestler. By the bringing of the two together it should prove a star turn in the firmament of local sporting events.

The third game in the Stuart Shield series will take place tonight on the Acropolis Hill grounds, between the Sons of England and the Callies. The Callies, in their first game of the series against the Sons of Canada, lost to the tune of four goals to nil, and the Sons of England lost by a score of four goals to two in their clash with the Callies. It would, therefore, seem that the teams tonight will both be out to regain lost ground and it will be a toss of the button as to whose game it will be. Both sides will doubtless be on their toes and the play should be well worth watching.

The line-up of the Sons of England is as follows: Shenton, goal; Lambe and R. Howe, full backs; Hodgkinson, Cameron and Bales, half backs; Geo. Hill, Jr., Matheson, Tinker, Dickens, Munro and Kelsey, forwards.

The Callies will field the following team: A. Murray, goal; H. Hamilton and W. E. Williscroft, full backs; J. Sims, S. Currie and J. Harris, half backs; S. Elder, J. Woods, D. King, Main and Jas. Andrews, forwards.

It would greatly assist the sport column editor and at the same time assure the publication of team line-ups if the Secretaries of the league teams would leave the particulars of the teams to be fielded in the office of the Daily News, as much before the time of the scheduled game as possible. While there is no trouble in this connection with certain club secretaries, there are others who are defaulters. Co-operation lends for efficiency.

ALL-STAR BASEBALL TEAM FOR KETCHIKAN

The following all-star baseball team has been chosen to play against Ketchikan on Saturday and Sunday next, on the occasion of the Elks' excursion by the steamer Prince John to the northern port.

D. Balfour, McKeown, W. Mitchell, Dan Lidstone, B. Fortin, Vic Menzies, Wilson, Art Easson, Howard Frizzell, A. Mitchell, H. Astoria and J. Ratchford.

A practice game will be held on Thursday between the all-star team and a team chosen from the remaining city players. D. Lidstone, pitcher, and Dave Balfour, catcher, will form the battery to play against the all-star side.

SPORTS COMMITTEE ARRANGING FOR FAIR

A meeting of the sports and attractions committee of the Fair Board was held last night in the city hall, Joe Greer, president of the board presiding, for the purpose of making a first estimate as to the cost of the sports programme, which is to be held during the forthcoming exhibition week. Definite figures were not fully arrived at and the separate and combined committees will hold a further meeting this afternoon.

MASSETT INDIANS COMING TO FAIR

Alfred Adams Says Many Have Already Made Arrangements For Visit.

Alfred Adams, storekeeper at Old Massett, who arrived in the city on the steamer Prince John yesterday, is very enthusiastic over the prospects of a large attendance of Indians at the exhibition this year, many of the natives have already made arrangements to pay a visit to the city during exhibition week. Mr. Adams will be present himself and has pledged his support to the Fair Board and is willing to render any assistance in his power to make the exhibition a success.

FORESTRY AND MINERAL EXHIBITS THIS YEAR

Effort Being Made to Have Them Representative of Whole District

A very laudable effort is being made by the exhibition management this year to make the mineral and forestry exhibit at the forthcoming exhibition one which will do credit to the industry. The response from the various mines in the district to date has been splendid. While the management have not had definite word from the lumber mills as yet it is very evident from the spirit of the replies from various mills in the north to letters asking their support, that they will be willing to do their part.

INDIAN BAND SAID TO BE VERY GOOD ONE

The Kitimaat Indian band, under Bandmaster Henry Slatter, a former member of the band of the Imperial Grenadier Guards, which has been engaged to play at the exhibition in September, is reputed to be one of the finest bands on the Pacific coast. The band consists of some 29 members, who have been under the training of Mr. Slatter for the past winter, and it has attained a high degree of proficiency in the rendering of both classical and dance music.

J. F. MAGUIRE WRITES LETTER TO PAPER ON VANCOUVER AFFAIRS

J. F. Maguire, formerly of Prince Rupert and also once of Hazelton, B.C., who used to write for the edification and delectation of the peope of Prince Rupert, is now writing letters in Vancouver. A short letter of his appears in the current number of "The Hook," edited by J. S. Cowper, also formerly of this city. It reads:

Editor The Hook:

Sir,—I congratulate you on your article on "The Lesson of the Potlatch." It is too bad that Vancouver has to be periodically disgraced, degraded and demoralized by such disgusting exhibitions. I suppose the same class of thing will again this year be one of the most prominent features of our annual "Fair," as it has been each year in the past. Is the city not capable of any really decent, instructive and beneficial public "affair"? Can money only be obtained for the very highest causes by the very lowest methods? It looks like it. Use your rapidly growing influence to try to kill these loathsome putridities that are allowed to break out in our midst so frequently. Where does all the money go that is thrown into these cesspools?

J. F. MAGUIRE.
