**SCHOOL GIRLS WIN FASTBALL**

Defeat Gordon and Anderson, 14-9 Tuesday Night

The High School girls recorded another win in the City Ladies' Fastball League when they defeated Gordon and Anderson by 14-9. High School got off to a good start when Skora, Farrington, Mostad and B. Sedgwick all scored in the first inning on hits by Mostad, B. Sedgwick, Halgrimson and E. Sedgwick, assisted by two errors by the store ladies. Gordon and Anderson went scoreless.

In the second inning the students compiled five runs on singles by Skora, Farrington, B. Sedgwick and Halgrimson and three errors. The hardware ladies did well registering three runs on three walks, a single by Balagno and an error. The store ladies were doing a good job of stealing home.

In the third High School added two more on singles by Farrington and Mostad and walks to B. Sedgwick and Jackie Budinich. Gordon and Anderson kept pace with two runs, starting off with a good double by Hart who later scored, and two walks to Stewart and Balagno. Stewart stole home on a smart play.

In the fourth High School scored two with Greenwood who was walked and Skora who singled, both scoring when Mostad singled. Gordon and Anderson went scoreless.

The students failed to score in the fifth and sixth. Gordon and Anderson added one more in the fifth when S. Ramsay counted on singles by Stewart and Duffus and the team really went to town in the sixth when they scored three. Clough was walked, Payne singled, S. Ramsay walked, I. Ramsay was safe on B. Sedgwick's error. Clough, Payne and S. Ramsay all came in.

In the first of the seventh B.

**COMMISSION IN SESSION**

In a meeting with managers of the teams in the Men's Fastball League Monday evening, arrangements were completed for the carrying out of the rest of the schedule.

Fifteen games have to be played and, in order to have the schedule finished and still have time for the playoffs, it was unanimously agreed to play four games a week with games scheduled for Monday, Wednesday, Friday and Saturday of each week. The playoffs will probably take the form of the best of three series between the top four teams and the best of five between the winners of these semi-finals.

Sedgwick singled and alter scored. The store ladies were held scoreless in the seventh though Clough got on base on a single but Sedgwick struck out Payne and Windle.

Sedgwick issued no fewer than nine walks, allowed seven hits and struck out nine players. Windle allowed 13 hits, gave up six walks and struck out three. Both teams were guilty of loose fielding although both did some good catching at times. The store girls were without either of their regular catchers with Clough taking over behind the plate.

**LAMBIE LEADS CLOTHIERS IN SECOND VICTORY FROM TOP-PLACE SAVOYS**

Savoy took off for a brilliant start in their league fixture with Watts and Nickerson at Roosevelt Park last night but somewhere along the way they fumbled and the Clothiers slipped by to take their season's second win from the league-leading Hotelmen by a score of 7-4.

Savoy's shortstop Bruce Simondson set a notable example in his first time at bat when he led off with a home run to left field but the power of suggestion failed to carry through to his team mates. Savoy's marked up two runs in the first inning, one in the fifth and one in the sixth.

Watts and Nickerson used veteran Bill Lambie on the mound, a piece of strategy that paid dividends as it usually does. The way old-timer pitched six score-

A GI and a Russian soldier in Berlin were discussing their respective governments. The GI told the Russian that he could go to Washington, knock on the White House door, ask President Truman how he was and "then wag my finger in front of his face and tell him just what I think of Harry S. Truman."  
Said the Russian: "I can go to the Kremlin, ask to see Generalissimo Stalin, ask him how he is, wag my finger in front of his face and also tell him just what I think about Harry Truman."

It was during one of those busy Red Cross blood collection drives. The centre was very busy, and as a nurse rushed out of the room with a container of freshly drawn blood she met a colonel who was a regular donor. They recognized each other and the nurse greeted the officer brightly: "Just jump into bed, Colonel. I'll be with you in a minute."

A local swain was talking about his latest romance.  
"I guess we can look forward to a betrothal," a friend remarked brightly.  
"Are you kidding?" retorted our hero. "We ain't even married."

Small Boy—"Mr. Jones, Dad wants to borrow your corkscrew."  
"All right, sonny," said Jones, reaching for his coat, "you run along home—I'll bring it over."  
Men are peculiar. A fellow who hadn't kissed his wife in five years shot a fellow who did.

Marriage is like a bath—by the time you get used to it, it's not so hot.  
"I have a husband who is rich. He adds much to my life. He buys me everything I want— But please don't tell his wife!"  
Lady: "Can you repair this fender so my husband won't know I bent it?"  
Mechanic: "No, but I can fix it so that in a few days you can ask him how he bent it."  
Teacher: "Joan, find Iceland on the map."  
Joan: "Here it is."  
Teacher: "Now, Johnny, who discovered Iceland?"  
Johnny: "Joan did."

Mrs. Gabber: "Doctor, why does a small cavity feel so large to the tongue?"  
Dentist: "It's just the natural tendency that your tongue has to exaggerate."
