SHOULD INCLUDE FISH

We do not know what the trade agreement with the United States covers but it will be incomplete if it does not provide for a change in the U. S. tariff on halibut. As we have pointed out before, this is one case in which Canada can be benefitted without injuring the American fishermen. The fish goes to the United States anyway but the Canadian fishermen have to accept in many cases two cents less than the American fisherman because of the duty imposition. We hope that fish is included in the agreement and we suggest that this might be an opportune time to jog the mind of the Prime Minister and suggest to him that he can score a good point by including halibut in any treaty that may be concluded.

AN EARLY ELECTION

It looks as if there would be an election within the next two or three months or at any rate not later than June. Mr. Bennett concludes his series of radio talks tonight and we expect to hear at any time that the date of the election has been set. A short session of Parliament is expected and it is possible the election will be all over in time for the Prime Minister, whoever he may be, to attend the King's Jubilee celebration in May. Following that celebration there is to be a meeting of British premiers in London and it would be much more satisfactory for a newly elected premier to attend that session than for the representative to be a man who may have to step down within a few weeks.

THE SAAR SETTLED

It seems to be settled that the Saar is to be returned to Germany. While we do not like the electioneering methods of the Germans during the campaign preceding the taking of the vote, we realize that it is just as well the territory should go back to Germany when so large a part of the population is German. The settlement of this outstanding problem will remove another possible cause for a European war.

The League of Nations will now have to convene and take action to ratify the change.

HOOP GAME STARTS UP

Grotto Defeated C.N.R.A. in Listless Senior League Encounter Last Evening

Gurvich and Ratchford, snaring all the points but one free throw, won last night's Senior League basketball game for the Grotto over the Canadian National Recreation Association quintette by a score of 43 to 21. The play was ragged throughout, the boys having, evidently, not got over the festive season as yet. However, a better brand of the hoop game is promised for Thursday night.

Nor was the Ladies' League game up to usual standard, Annette's chalking up an 11 to 7 victory over the Grottettes. Beale and Smith were outstanding for the Grotto, doing all the scoring between them. Rivett and Stamp-Vincent starred for Annettes.

The smooth-working High School machine mowed down the Warriors by a score of 23 to 12 in the Intermediate League. All the High School players did well while Naylor and Dominato outshone the rest of the Warriors.

Scythians outplayed High School to win the Junior League fixture 15 to 12.

A mere handful of spectators witnessed the games, individual scoring in which was as follows:

Rode King's Plate Winner

On the left in the above picture is Frankie Mann, noted Canadian who rode R. S. McLaughlin's horse Horometer, which won in the King's Plate race classic of the Canadian turf, at Toronto last year. On the right is Dick Townrow who had the leg upon R. W. Cowie's horse Pitchblend, which was another favorite in that race.

SPORT CHAT

There was no stopping the great Toronto forward line as Charlie Conacher, Busher Jackson and Joe Primeau got back into old form again Saturday night to give the Maple Leafs a five to one victory over the Chicago Black Hawks. The Hawks themselves put up a great game but found George Hainsworth, Toronto goalkeeper, a solid stumbling block while the rest of the Maple Leafs were nigh invincible. It was a fast game with plenty of feeling at times.

The Black Hawks opened the scoring with their one and only goal four minutes and eight seconds after the start through Howie Morenz. Charlie Conacher evened it up and the first period ended one all. The Leafs added two in the second, one from Conacher, assisted by Primeau, and the other by Primeau.

The two other Leafs' goals came within one minute of each other during the latter half of the third period as play moved rapidly from one end of the ice to the other. On one breakaway "Busher" Jackson fooled Lorne Chabot with a wicked backhand shot after a pass from Primeau. Charlie Conacher scored the final counter on another breakaway.

The Black Hawks' single goal was the only one they have been able to score against the Maple Leafs in three games. The Maple Leafs continued their victorious stride by blanking the Red Wings at Detroit Sunday night.

Canadiens defeated Maroons by the odd goal in an inter-club game at Montreal Saturday night, the Flying Frenchmen thereby pulling into exclusive possession of fourth place in the International Division ahead of the luckless St. Louis Eagles who were defeated Sunday night at New York by the Rangers who had won over the Americans Saturday night.
