ACID IS YOUR ENEMY

. . . . Get rid of it before IT CAN HARM YOU !

INDIFFERENCE to over-acidity of the stomach can only lead to trouble and suffering. Do not neglect such symptoms as frequent heartburn, acid eructations, gas, "sour" stomach, acid indigestion, etc., for these signify that too much acid is present in the stomach. For immediate relief take Bisurated Magnesia. This preparation, though harmless to either child or adult, neutralizes and absorbs the excess acid.

It was about half a mile from the nearest fire hydrant and it was impossible for the fire department to take a hose to the blaze.
