### CHANCE TO REGULATE

The news despatches tell of four girls in Oklahoma, quadruplets now 20 years of age, and they are all saxophone players. Due to the prescience of Premier Hepburn of Ontario the Dionne quintuplets are wards of the province so the province of Ontario has the say whether they shall or shall not become saxophone players. As they took over the duties of the parents in the interests of the children, may we also ask that they protect the public from allowing them all to become saxophone players. We bring this to the attention of the local service clubs and the Parent-Teachers' Association in the hope that they will take such action as may be found desirable to prevent a national calamity.

### CONVENTION CITY OF NORTH

Delegates to the Synod of the Anglican Church have mentioned the advantages of Prince Rupert as a convention city for northern and central British Columbia. Not only is it the centre for business but it is the most convenient place for northern people to gather as it is where rail and steamships meet. Also it is a place where visitors can get what they want in a business way. Visitors to the city usually find the people here anxious to entertain and show them every possible courtesy. This has become well known with beneficial results. Possibly the next time the Chamber of Commerce or any other organizations get out advertising leaflets the possibilities as a convention city will be mentioned.

## THE CALL OF THE WILD

Oh children dear, do you recall the day he took the stand;  
And made a speech in Calgary that hypnotized the land?  
He won the people's confidence, and for him all did vote,  
To put him into Parliament and now he's got their goat.

He made them rosy promises about his native land;  
The markets of the world he would blast for his demand,  
Instead of that he gave them camps and coupons for relief;  
He's clubbing down the unemployed who are starving on the street.

Now when the time for reckoning comes upon the Judgment Day;  
And he will have to give accounts, I don't know what he'll say;  
There'll be no class distinction among us at that time,  
For everyone will pay the price according to the crime.

These children they will vote again, and pull the other oar,  
And let those parties use them for a carpet on the floor;  
Or maybe there's a "Moses" to come down from the sky,  
And lead the way to Heaven, friends—I guess I'll say "Good-bye."

—J. W. MORAN.

## DRAW GAME IN SOCCER

Borden and Booth Played to One All Tie Saturday

The Junior League football game on Saturday afternoon between Borden Street and Booth Memorial Schools was another splendid contest and ended in a draw of one goal each.

Of the earlier exchanges Borden had rather the best but the Booth defence was fairly sound and, though one or two of Krause's saves were of the lucky order, he also brought off some good stops. Then McKay sent his forwards off. Several shorts were partly cleared by Borden defence till Holkestad fastened on a loose ball and, with a splendid drive, gave Mah no chance and put Booth one up. Borden tried hard to equalize and Roma sent a long drive over. Williseroft had hard luck with a fine cross. Then Ritchie made a great run and crossed a nice centre but no one was up to connect. Cameron had a grand chance but shot high over.

Booth had the best of the second half at the start but Brown and Perlich cleared. Cameron had a couple of tries. Williseroft broke away but the ball was cleared and then Percy Knutson stopped Houston when the latter was dangerous. Fitch was playing strongly and A. Smith tackled to good advantage. Currie's long shot nearly got away from Krause but Ralph Smith came in fast to equalize the score. Then the game became faster with Borden striving frantically to gain the lead. Krause was lucky to clear in a couple of occasions and then Booth staged a very dangerous attack that was barely repelled. Time came with the teams battling keenly for a deciding goal that would not come.

Booth—Krause; P. Knutson, L. Knutson; Hebb, McKay, McLean; D. Cameron, Wikdal, Ritchie, Davis, Holkestad.

Borden—Mah; Brown, Perlich; A. Smith, Fitch, Roma; Barton, R. Smith, Currie, D. Houston, Williseroft.

Referee, J. Carroll.

MORICETOWN, June 10:—In a scheduled six-round boxing bout in connection with the Stampede celebration here, Charlie Patsy, 145-pounder of Hazelton, knocked out Lawrence Patrick of Fort Fraser, 154 pounds, in the third round.

Patsy had the best of the argument from the start of the first round when he landed a hard jab on Patrick's jaw. The boys opened up and fought hard in the second. Soon after the opening of the third, Patsy floored Patrick for the count of nine by a body blow. Patrick was back on his feet but it was only a matter of seconds before he took the full count.
