Salvation Army Tag Day Success

Highly Satisfactory Sum of \$87.60 Realized as Result of Street Canvass on Saturday

The highly gratifying sum of \$87.60 was realized as a result of the Salvation Army's Self Denial Campaign tag day Saturday. The highest box was that at the corner of Third Avenue and Sixth Street in which \$11 was taken. Little Betty Wide, not yet four years old, collected \$6.55 in her box. Little Lorne Wanamaker took the largest individual contribution of \$2.

The taggers were Misses Dolly Smith, Betty Wide Helen Brown, Betty Bremner, Betty Wilkinson, Peggy Blackhall, Eleanor Clapp, Kathleen O'Neill, Marion Sheppard, Nora McCaffery, Frances Daglish, Ruth Scherk and Joyce Kleiback. Capt. Betty Warren and Capt. Dorothy Wells, David Jones, Lorne Wanamaker and D. L. Jones.

Gerald Thompson and C. D. Bruce Jr. arrived in the city on the Princess Louise this morning from Vancouver, being here in their capacity as auditors for the Canadian Fish & Cold Storage Co.

The Red Army that Calls You "General"

You'll need a microscope to see these soldiers of yours. They are so small that thirty thousand of them side by side only measure one inch. Yet there are billions of them serving you.

These soldiers—known to medical science as red corpuscles—give your blood its red color. They carry haemoglobin (iron-nutrient) to every nerve, fibre and tissue of your body. If these little red corpuscles become too few or do not carry enough haemoglobin—look out for trouble. For it is the weakening of this army that is a danger signal of health. Persons who are run-down, anemic, nervous, easily tired, lack vitality and strength are generally those whose red corpuscles and haemoglobin (iron-nutrient) are below normal.

There is, fortunately, a treatment that soon builds up both red corpuscles and iron-nutrient and by actual test of blood under the microscope this remedy proved its blood-building worth.

The test was applied to a group of run-down people and the blood of each one was found to be decidedly below normal. The competent authority who supervised the tests, instructed each person to take Dr. Williams' Pink Pills—called pink because they have a pink sugar coating—for 30 days, and then return for another blood test!

In that short period Dr. Williams' fine old remedy infallibly demonstrated what it can do for run-down, anemic people. The gains made in health and strength were remarkable. The people looked and felt much better and the microscope showed how their red corpuscles had been increased and their iron-nutrient, too!

These tests form a reliable guide for you if you, too, are run-down. Take Dr. Williams' Pink Pills. The shortages of your blood will be made up and strength, vitality and vigor will return. All druggists have Dr. Williams' Pink Pills at 50c, the full-size package.

WHIFFLETS From the Waterfront

Opening the summer tourist schedule and making her first voyage of the season on the Alaska route, C. P. R. steamer Princess Louise, Capt. S. K. Gray, arrived in port at 9 o'clock this morning from Vancouver and sailed a couple of hours later for Skagway and other northern points whence she will return here Saturday afternoon southbound. The vessel had a total of 189 passengers including tourists and returning northerners. The round trip tourists numbered 75. Five persons disembarked from the vessel here and seven went north aboard her. Next Monday the Princess Charlotte will be here northbound on her first voyage of the season.

Bringing north a fair-sized list of passengers, Union steamer Catala, Capt. A. E. Dickson, arrived in port at 7:30 last evening from the south and sailed a couple of hours later for Anyox, Stewart and other northern points whence she will return here tomorrow morning and sail at 1:30 p.m. on her return to Vancouver and waypoints.

The Massett fish packer Chief Weah, Capt. Matthew Yeomans, arrived in port Saturday afternoon with a load of salmon from the North Island trolling grounds for delivery to the Canadian Fish & Cold Storage Co. The Chief Weah is being operated opposite the Adelaide J., another Massett packer in delivering fish here from North Island. The Edephaw, Capt. Henry Edenshaw, also of Massett, is packing from North Islands to Butedale for the Canadian Fishing Co.

Changes have been made in the skippers of Canadian Pacific vessels operating on the summer tourist service to Alaska this summer. Capt. S. K. Gray, well known as regular master of the Princess Adelaide on the local run between here and Vancouver, has taken over command of the Princess Louise. Capt. William Palmer is to be master of the Princess Charlotte while Capt. Clifford Penton will be master of the Princess Alice. Capt. Henry Anderson is the new skipper of the Princess Adelaide.

The Indian Department power cruiser Naskeena, with Dominion Constable A. J. Watkinson on board, went out this afternoon to investigate reports of pilfering from the wreck of the steamer Denali ashore on Zayas Island.

Mrs. Samuel Massey is sailing tomorrow afternoon on the Catala for a trip to Vancouver.

"IRON DUKE" FILM IS HERE

Long Anticipated Arliss Picture Now at Capitol Theatre

"The Iron Duke," first of the week feature picture on the screen of the Capitol Theatre with the ever-popular George Arliss in the title role, has long been anticipated and talked about by local moviegoers who are interested in the higher class productions.

"The Iron Duke" has many stirring scenes of great historical interest. The Duke of Wellington is seen not only as a leader of armies but as a diplomat whose iron will held Europe together at a critical period. The picture, besides telling a dramatic story very finely, portrays with realism and accuracy, many brilliant spectacles of history.

Famous events of Waterloo are included, among them the charge of the Scots Greys and Gordon Highlanders as part of the Union Brigade; the defensive lines at Waterloo; the troops forming a square as the French cavalry swept down; the British guards repulsing the French guards; the

Household Cavalry charges; the famous meeting of Wellington and Blucher after the battle. A memorable scene also is the setting of the Duchess of Richmond's ball on the eve of Waterloo.
