MR. JUSTICE MANSON

Prince Rupert people will all have been interested in the news of the appointment of a former citizen of Prince Rupert, A. M. Manson, to be a judge of the Supreme Court of British Columbia. Those who know him will realize how well fitted he is for the honorable position to which he has been elevated. He is a hard worker, has a keen and judicial mind and will doubtless do honor to the bench. We Phone 21 take pleasure in offering him our congratulations.

RELIEF CAMPS TO GO

Everyone will be glad to hear from the minister of labor at Ottawa that relief camps are to go during the coming year. The sooner they go, the better. Introduced as a means of taking care of the young men who were out of employment, they have become a bone of contention since their establishment. It is to be hoped that within the year all the young men will be at work and that never again will relief camps be needed to take care of the unemployed.

FEW HOUSES TO RENT

Yesterday we had a call from a man seeking a fourroom house to rent. Referring to our advertising columns we found we had had no four-room house advertised for many weeks and we had been told that larger houses were also at a premium. Evidently the city is full of people although a few apartment houses are not filled.

Best Christmas Gift

This is a season of the year when people are selecting their Christmas gifts to go to different parts of the world.

May we suggest that nothing is so acceptable to a former resident of Prince Rupert or to one who has friends and interests in the city or district, as a copy of the Daily News mailed to them direct at the special Christmas Gift rate of-

a good deal of interest. There was keen competition and the quality of seeds and roots shown, while hampered somewhat owing to the season having been none too good from a weather standpoint, showed that the growers are becoming more and more conversant with the collection and assembling of material for exhibition purposes. Vanderhoof, Bulkley Valley, Prince George and Woodpecker districts were all well represented.

The village commissioners of Vanderhoof have had a siren placed on the top of the Vanderhoof Hotel for the purpose of giving an alarm in the event of fire and to sound the curfew each night at 9 o'clock. The siren is controlled by an elec-

> At the close of the day Mr. Travis, District Agriculturalist, Prince George, delivered an instructive address on the assembling and preparation of material for exhibitions. He then compared the various varieties of the crops represented at the show from the standpoint of field performance and adaptability to location. The many questions asked of Mr. Travis by his attentive audience bore witness to their appreciation of the educational feature of seed shows so ably presented. The best of the exhibits were

set aside and will be entered for competition at the B.C. Seed Fair at Vancouver in December. Prize Winners Complete awards were as follows:
