### THE TITLE BUG IN CANADA

Member of Audit Bureau of Circulations

It is to be hoped that one of the first acts of the Mackenzie King administration will be to rid the country of the title bug. Parliament has never voted in favor of titles since it asked the King not to grant any more but Prime Binister Bennett took on himself the duty. While it may be taken as a certainty that Mr. King will make no recommendation for titles, it seems a pity that action cannot be taken which would prevent the leader of a subsequent administration making recommendations that would over- Bridge Season ride the will of Parliament.

As one of the Dominions of the British Empire we are able through our Prime Minister to approach the King direct in regard to these matters. The Prime Minister is swift's, Canadian Legion, C. N. A. A. worth and Shawatlans Lake, three funding debentures as well as one responsible to Parliament for his actions so that the granting of titles recently comes back to the Conservative members of Parliament who kept the Prime Minister in office. There must have been an understanding be- opening season results last Friday tween them in regard to this matter.

### MR. BENNETT AS LEADER

It seems rather probable that Mr. Bennett will not act Legion 6158. as leader of the opposition for very long, possibly not longer than the first session of Parliament. While we would all like to see him in that position and hope his health will allow him to remain in Parliament many Moose Hall Show years, his holding the leadership would keep some younger man from developing the necessary qualities during the period of opposition which would enable him to stand a chance of winning when the next appeal to the country is made.

Mr. Bennett's duty to his party and to the country is to look over the Conservative material now in Parliament The fact that there were no Falls River power plant with the and choose as his lieutenant one of the strongest of the electric lights did not prevent the shawatlans Lake plant already out younger men and at the earliest possible date give him the Pat Players of Vancouver present- of commission owing to breaks in leadership and let him lead. ## WHAT PRICE ANTI-FREEZE?

You will need anti-freeze protection for your car any day now Let us install guaranteed Eveready Prestone before the rush begins. The price of Eveready Prestone, which gives you guaranteed protection, is very low, only \$3.95 a gallon. It isn't the price per gallon of antifreeze that counts-it's the total cost of protection against both freezing and corrosion for the whole winter that you must figure on. You will find Eveready Prestone the most economical, non-evaporating anti-freeze on he market.
