CLEAN! SPEEDY! BETTER! CHEAPER!

Cook with ELECTRICITY

It gives you all the advantages of ordinary cookery without any of its disadvantages. And it gives additional advantages that other forms of cookery cannot even approach. There is no waste heat. Heat is always even. Food values are conserved. Meals are tastier and prepared with infinitely less trouble. Your kitchen is always cool and clean. And, most important of all, an Electric Range costs LESS to operate than any other type of range.
