Immediate Outbreak of War Warded Off and Hostilities May be Permanently Obviated-Peace Conference To be Held in September in Northern Italy

GENEVA, Aug. 2:-It was revealed last night that delegates of Great Britain, France and Italy had reached an agreement which will obviate the immediate outbreak of war between Italy and Abyssinia and which may result in the warding off of hostilities in Africa altogether. Premier Benito Mussolini will, it is expected, take formal action today either in acceptance

or rejection of the plan. Ethiopia's IS KILLED Under the agreement an arbitration commission, such as Italy has been insisting upon, is provided. Negotiations looking to a permanent settlement of the whole dispute are to be initiated by September when a conference will be held in Northern Italy between representatives of Great Britain, France, Italy and Ethiopia.

POSTPONE ELECTION

Condition of Roads Owing to Heavy Rains in Alberta Almost Impassable

Much Damage

Transportation Services In North Disrupted-Towns Flooded

EDMONTON, Aug. 2:-From a number of districts in the province have come to Premier Reid requests that the general provincial election now scheduled for August 22 be postponed owing to roads in many parts having been made almost impassable by recent rains and floods. The condition of the roads is seriously handicapping electioneering activities.

Severe rainstorms continued general yesterday in Alberta and Saskatchewan and flood conditions in Northern Alberta were further aggravated. The town of Waterways was reported completely under water.

Widespread Damage

Fie railway bridges have been carried away in the Linton district, twenty miles from the Northern Alberta Railway terminus at Waterways, according to reports received here. Damage in McMurray-Waterways area has been tremendous during the last few days as flood waters have risen into the towns following Lesser Slave Lake's rise of seven feet plus a forty-eight hour downpour of rain last week-end.
