VERY FEW PLACES BETTER

A resident of Prince Rupert who often gets outside and sees what is going on in other parts of the world recently remarked that he knew of few places where life was as pleasant as in this city. He stated that the last place he would like to reside would be in one of the big cities. Prince Rupert had most of the city advantages and, at the same time, was sufficiently rural to satisfy his tastes. Enumerating some of the advantages of life here, it was mentioned that there were no snakes or other reptiles, no bad flies, no annoying insects such as cockroaches, no droughts, no duststorms, no floods, no earthquakes, no intense heat, no intense cold, in fact nothing to make life unpleasant except at times rather more dull or rainy days than might be considered conducive to enjoyment.

WHERE THEY BELONG

The proposal of the relief camp men to move to Ottawa with a view to influencing the government there to provide for them would be a good move. Ottawa is where they belong. If the problem became sufficiently pressing at the nation's capital it is probable that the Bennett government might be moved to take steps to ameliorate the condition which exists. To say that nothing can be done is to admit incompetency.

Suppose the local business men, bankers, doctors, lawyers, newspapermen and artisans found themselves without occupation and without salary or dividends, it is quite sure they would not wait for years until something turned up. They would turn them up or suffer in the attempt. It is to be hoped the camp men will take their requests to the foot of the throne at Ottawa and demand action.

At Ottawa the inhabitants are being kept by the taxpayers of other parts of the country and share few of the problems of the provinces. It would be a great thing for them to know at first hand what the unemployment problem means. They might take notice.

LEGION IS VICTORIOUS

Defeated Young Liberals Two to Nil in Football Game Last Evening

The heavier and more experienced Canadian Legion team defeated Young Liberals by a score of two to nil last night in the second senior football fixture of the season. Sonny Dickens scored the first goal for the Legion in the first half and Johnny Pierce the second after the switch-over. The Liberal goal-keeper did not have a chance with either.

A bad wind was blowing almost throughout the game which made the ball difficult to control. The chilly gusts also kept the size of the crowd down to small proportions.

R. B. (Brick) Skinner acted with satisfaction as referee.

It was unofficially reported this morning that the game would be protested on the grounds that the Legion fielded an unregistered player.

After the sports program, refreshments were served in the Community Hall by the Click-a-Dad Tribe.
