## Union Fishermen Are Going Back On Boats; Strike is Abandoned

Only Condition Asked is That There Should be no Discrimination Against Leaders in Tie-up-Decision is Made on Two to One Vote

With the union fishermen rejoining the boats and the various boat owners, who had been doubling up to man a portion of the fleet while the fishermen were remaining ashore during the dispute over the proceeds of halibut livers, returning to their own craft, the Prince Rupert halibut fishing fleet is preparing today to get back to nor-

mal operation. This followed a meeting of the Deep Sea Fisher-men's Union yesterday when the fishermen decided by a two to one AWAITING vote to go back to work under the existing fishing agreement which gives the boats a one-fifth share of gross stock, the beats being also allowed to share in the proceeds of the livers. The only proviso asked by the fishermen is that there should be no discrimination against those fishermen who have been active in the strike.

The boat owners insisted upon the by sourdoughs. Was Accidental livers being included like the fish in gross stock of which the boats . . . . . . . . . livers being included like the fish should receive a one-fifth share. Under the boat owners' fishing + ROOSEVELT IS LIABLE

#### Irish Free State Raises \$7000 to Purchase Silver Jubilee Gift For Monarch

DUBLIN, May 3: (CP)-After a secret appeal, conducted by word of mouth only, Loyalists in the Irish Free State, Catholic as well as Protestant, have contributed \$7000 to purchase a Silver Jubilee gift for Their Majesties, the King and Queen.

Organizers divided the whole country into districts for collection purposes, the majority of the collectors being women.

In view of the high political feeling aroused by the economic war between the Irish Free State and Great Britain, it was deemed unwise to make public any details.
