## What Life Insurance Means to the MEN of Canada

TENS OF THOUSANDS of men—in every walk of life—look to Life Insurance for freedom from their financial worries.

To YOU—whether you are a wage earner, farmer or business man-Life Insurance means money when most needed.

It means that YOU can create a sizeable estate immediately—and pay for it out of your current savings.

It means that, should you die, your family will have money to pay for food, clothing, shelter and other necessities.

It means that your family will be reared in self-respect - freed from the humiliation of private charity or public relief.

It means that your children will be

assured an education—that they will have a fair start in life.

It means funds to pay off the mortgage on your home or your farm.

It means funds to continue any business in which you may have an owner interest.

It means ready cash in times of emergency.

It means funds to provide for a comfortable old age—to make you financially independent when your working days are over.

Day after day, year after year, you can always depend upon your Life Insurance to safeguard yourself and loved ones—to give you the peace of mind which is so essential to health and happiness. L-115K
