## Interest of Ottawa House is Centering On Reform Program

Main Estimates, Now on Table, Expected to Take Up Minimum of Time-Prospects Are For Early Prorogation Despite Important Business Coming Up

OTTAWA, Jan. 25:-With the debate in reply to the Speech from the Throne out of the way in record time and the main estimates, which include maintenance and other routine appropriations for the year, already before the House, apparently Parliament at this its last session before a general election is to waste no time on the routine oreliminaries. Interest of the mem-

worth, leader of the Co-operative

Comonwealth Federation, have both

promised their sympathetic consid-

eration which does not, of course

mean, that they may not have some

criticism to offer. However, it ap-

pears that there is to be this session

a minimum of opposition merely for

With the probability that the es-

timates will also take but a short

time to dispose of, the way will then

be clear for Premier Bennett to in-

troduce his reform measures which

will be the all-absorbing business of

the session. Then the budget will

session may be as brief as it may be

whole, appear to be disposed to cur-

tials. The leaders of the opposing

groups have already signified this.

Premier Bennett will be permitted

# Manchoukuan Borders Westward is Foreseen

Whether or Not More Aggression Will be Resisted Appears to be Question in View of Ineffectiveness Of Opposition So Far Put Up

PEIPING, China, Jan. 25:—Belief is held by the Chinese government that Japan is preparing its war machine with a view to extending the western border or Manchukuo deeper into Chinese territory. Whether or not China will forcibly resist further aggression appears to be a question. So far resistance has proven of little avail.
