Jury in Lamson Case Disagrees

SAN JOSE, Cal., May 15:—The jury of seven men and five women in the second trial of David Lamson, charged with the "bathtub murder" of his wife, was discharged shortly before 5 o'clock yesterday afternoon after hopelessly disagreeing—nine for conviction and three for acquittal, following four days and 23 hours of deliberation. The minority refused to yield.

After having been out for fifty hours, the jury returned to the courtroom reporting that it was deadlocked and unable to reach a verdict. Judge Thayer ordered it to retire again and further attempt to agree.

At the first trial, Lamson was convicted and sentenced to death, later being granted a new trial. A third trial is likely.

SPORT CHAT

The retiring president's report at the annual meeting of the Prince Rupert Football Association Monday night stated that gate receipts had been very poor. If football had had to depend on gate receipts it was doubtful if it could have been carried on. Despite all this, however, a deficit of the previous year had been overcome and a tidy surplus shown. Mr. Morgan took opportunity to thank all the delegates of the league, the board of control, referees, Junior League committee, auditor, the executives of the three teams, the press and the general public for co-operation and support. To the new executive for the coming season, he extended his best wishes for another very successful season.
