**LOVES TO EAT THIS CEREAL, IT CHECKED HER CONSTIPATION**

Kellogg's ALL-BRAN Helped Miss Kesterke

We quote from her letter: "Three years ago, I became constipated. I tried many laxatives. But as soon as I got used to each kind, I began to get the same trouble.

"Last summer I was on my vacation. They served Kellogg's ALL-BRAN. I just loved it. I eat Kellogg's ALL-BRAN every morning, and ever since I have not had to take any more laxatives."—Miss Margaret Kesterke. Address on request.

"Due to insufficient 'bulk' in meals.

Tests show Kellogg's ALL-BRAN provides "bulk" to aid elimination. ALL-BRAN is also rich in vitamin B and iron.

The "bulk" in ALL-BRAN is gentle. It resists digestion better than the fiber in fruits and vegetables, so it is often more effective.

Isn't this food safer than risking patent medicines? Two tablespoons of ALL-BRAN daily are usually sufficient. If seriously constipated, use with each meal. See your doctor, if you do not get relief.

Use as a cereal, or in cooking. Sold by all grocers. Made by Kellogg in London, Ontario.

**Nature Builds Your Body—**

but you supply the materials.

Health suffers if you run short of iron.

Your food and drink are the only materials Nature gets to maintain bodily strength and well-being. But the tragedy of modern foods is their shortage of iron. Sooner or later this has an effect upon the health. It causes, at first, a run-down condition and simple anemia; then develops into serious ailments, if not checked.

This was shown to be true in a group of forty-five people whose blood was examined by a competent authority. In forty cases the blood was thinner and paler than it should have been, due to the shortage of iron. The authority who conducted the tests recorded the exact amount of the shortage for each person, then put every one of them on a 30-day treatment. The preparation he gave them was Dr. Williams' Pink Pills (called pink because they have a pink sugar coating). In one month he examined their blood again and found that the red corpuscles and the iron had definitely increased in every case.

This test is a demonstration of what this fine old remedy can do for you, if . . . as is likely . . . you need iron.

Wouldn't you like to feel really strong and vigorous again? Wouldn't you like to eat well, sleep soundly, take a keen interest in life around you . . . ? Then put yourself on a 30-day treatment with Dr. Williams' Pink Pills. Directly you begin taking this reliable old preparation, the reconstructive process will start. The blood will grow richer . . . will carry more vitality . . . and your own feelings will react pleasantly. Old aches and off days will give way to new vigor and brighter outlook on life. You will know once again the joy of possessing that priceless treasure . . . health! Full size box 50c.

**Elks' Flag Day Dance Popular**

Three Hundred and Fifty Persons At Affair Friday Night

Fully 350 persons were in attendance Friday night at the big dance in the Moose Hall which brought the Elks' Flag Day celebration program to a fitting close. The hall was attractively decorated for the occasion with Elks' and patriotic colors and flags and bunting. Splendid dance music was furnished by Charlie Balagno's Orchestra and Sam Joy was a genial master of ceremonies.

Dancing started at 10 o'clock with the Grand March led by the May Queen, Miss Emily Christopher, and George Peters, exalted ruler of the Elks' Lodge, other members of the court, all in their costumes, following, escorted by officers of the Lodge. The party kept up merrily until 2:45 a.m. At midnight delicious refreshments were served by members of the Elks Ladies' Bowling League.

Features of the evening included the presentation by Sam Joy of cups to Miss Margaret Johnson, captain of the Lucky Strikes, winning team in the Ladies' Bowling League, and to Miss Leah Basso-Bert, high individual scorer.

The Slavinski Brothers—Bill Stone, Sam Joy and Joe Scott—entertained with their adagio dance and other numbers. They brought the house down.

Billy Russell, a woman, was fined \$25, with option of seven days' imprisonment, by Magistrate McClymont in city police court this morning for drunkenness.

Mrs. Agnes Bell, an elderly Masett native woman, suffering from paralysis, was brought to the city last week for treatment in the Prince Rupert General Hospital.
