"Terrace" Would be Better Than "Kitsumkalum," Board of Trade Believes

TERRACE, June 11:-The Terrace Board of Trade, at its regular monthly meeting, decided to ask the school trustees to consider the feasibility of making a change in the name of the school. It is said that on one occasion one of the school inspectors travelled eastwards as far as . Prince George, looking for a station named "Kitsumkalum" and, of course, could not find it. Also, when, as frequently happens, the Terrace boys and girls distinguish themselves by passing a stiff examination, Terrace gets no credit and, as there is neither station nor
