From the Waterfront

Lining having been completed, loading of the British freighter Paris City with a full cargo of grain for the United Kingdom or Continent commenced at the Alberta Wheat Pool's local elevator at 1:20 yesterday afternoon. It is expected that it will be Wednesday night at the earliest before the vessel has completed loading and will be ready to sail. While no official notification has yet been received, it is reported that another grain ship may be here to load in May.

There was no change in the local halibut fishing situation yesterday following the declaration of the strike at the week-end by the Deep Sea Fishermen's Union. Landings of halibut yesterday were the heaviest so far this season with a number of large American vessels in. Unloading of the fish proceeded normally and all was quiet along the waterfront. There were no halibut arrivals this morning.

Among the American halibutters in yesterday was the Chelan, bringing in a catch of 10,000 pounds after her maiden trip to the fishing grounds. Owned by Capt. Adolph Nelson, formerly of the Kanaga, the Chelan is a six-man boat and was built at Seattle during the past winter. She is 54 feet long and is equipped with a 60 h.p. full diesel engine.

Armour Salvage Co.'s power tug Daly, Capt. Oscar Haveroy, left at noon yesterday for Vancouver, having in tow a scowload of salvaged machinery and equipment from the old B. C. Packers cold storage plant at Claxton which has been re-sold in the south. It is expected the Daly will be away about ten days. Capt. W. P. Armour, head of the Armour Salvage Co., sailed on the Catala this afternoon for a brief business trip to Vancouver.

Union steamer Catala, Capt. A. E. Dickson, returned to port at 1:15 this afternoon from Anyox, Stewart and other northern points and sailed an hour later for Vancouver and waypoints. The vessel was delayed by loading box shooks at Georgetown.

### TABLE TALK

EVERYBODY will praise you when you serve Kellogg's Rice Krispies. Their crispness and flavor is something to talk about.

Children love to hear Rice Krispies crackle in milk or cream. Let them have all they want—those toasted rice bubbles are nourishing and easy to digest. Just the thing for the nursery supper. They promote sound sleep.

Grocers everywhere sell Kellogg's Rice Krispies in the Mother Goose story package. The more you buy the more stories you get. Made by Kellogg in London, Ontario.

#### OCEAN FALLS

Old Jupiter Pluvius held off just long enough to give the fair sex of Ocean Falls a chance to display their Easter creations. It was the one bright spot in a slightly damp Easter week.

James Bird has returned from a trip to Vancouver where he went to convalesce from a recent illness.

At the winding up meeting of the season of the Ocean Falls Bowling Association, a proposed trip to Prince Rupert was one of the main topics of discussion. It was felt that it would be a crowning climax to a highly successful season if teams of bowlers, both men and ladies, could arrange to make the journey.

Ocean Falls music lovers had a treat last week when the Ocean Falls Glee Club staged two concerts. This glee club is rated as one of the finest organizations of its kind on the Pacific Coast.

An enjoyable and successful bridge party was held by the Ocean Falls Liberal Association last Tuesday evening. The prize winners were: ladies' first, Mrs. Angus; second, Mrs. Gildersleeve; men's first, Mr. Clark; second, Mrs. D. Jones.

#### TERRACE

The past week has been enlivened by two social evenings at which it seemed everybody was present. There was a whist and bridge at the Oddfellows' Hall on Thursday and on Saturday a hard times dance when many quaint costumes and some ancient ones were in evidence.

The Canadian Legion decided last Thursday night to make the next regular meeting a reorganization one. Cards will be sent out to all ex-service men inviting them to join up. The local branch is in pretty good shape with a small cash balance at the bank and no debts. Meetings are held in the comfortable sample room at Terrace Hotel.

April showers, with bright sunny intervals, returning robins and swallows, farmers busy with plough and harrow, in fact, a feeling that spring is here, has featured the week, and revived the hopes of people in other ways besides agriculture. It is freely said these days that Terrace and Usk district is slated for the next mining boom, and that the Coast Range Batholith is about to come into its own.
