RACING TO SAVE THE WORLD

Rev. C. D. Clarke stated in a sermon Sunday night that it was a race between Christianity and Communism to bring about a more just economic system. Others think it is a race between Premier Aberhart and Dr. Townsend. All depends upon the individual preferences. At any rate these movements are an indication that many people are dissatisfied with present conditions and are willing to listen to any leader who has a suggestion for improvement that looks reasonable to them.

HONOR TO PRINCE RUPERT

The Vancouver Province publishes a photograph of Dr. Fred Kergin, son of Dr. W. T. Kergin of Prince Rupert. At a time when so many unpleasant things have to be published about people, it is very pleasant and gratifying to be able to once more congratulate Dr. Kergin on the success of his son who is at present taking his third year at Oxford University as a Rhodes Scholar and who has recently qualified as a member of the Royal College of Surgeons, an unusual distinction for one so young. Dr. Fred is a Prince Rupert boy and as such we are all proud of him.

BRITAIN'S POSITION

Sir Samuel Hoare probably saved the world from a general European war by proposing a sacrifice settlement of the dispute between Italy and Ethiopia. If he did not he was beaten by Mussolini's bluff. In view of the fact that Canada, both Liberal and Conservative, had publicly announced that she was not with Britain in case of hostilities and that United States had also declared that under no circumstances would she be drawn into a conflict, we can hardly blame Britain for being willing to compromise with Italy. While the smaller nations of the world have all been urging Britain to stand firm, it must be remembered that it is the British Empire that would receive the brunt of the attack and most of the smaller nations probably would not suffer at all.

GIFT FOR KITKATLA

Personally Autographed Picture Of King George Arrives

To take delivery of a handsome large personally autographed picture of His Majesty, King George V, a large delegation of Kitkatla people, under leadership of Chief Edward Gamble, has been in town during the past couple of days. The picture came as an acknowledgment from the King of the gift which was made by the Kitkatla people on the occasion of the Silver Jubilee this year of a much-prized and historic tribal blanket which had been handed down from generation to generation. The party, consisting of some thirty persons including the Kitkatla concert band, leaves today on the return to the village. Tomorrow night at Kitkatla, the formal presentation of the picture will be made by Indian Agent W. E. Collison at a banquet being held specially for the occasion. Mr. Collison, accompanied by Bishop G. A. Rix, will leave tomorrow aboard the departmental cruiser Naskeena for Kitkatla.

The Kitkatla party came in on the two boats Norman G., owned by Henry Brown, and Queenstown, owned by Matthew Hill.

Yesterday afternoon the Kitkatla band paraded the city streets and, at the corner of Third Avenue and Fourth Street, paused, where a speech was made by Chief Edward Gamble.

Last night the band, under direction of Henry Brown, played a number of selections over the local radio station from First United Church. William Beynon was announcer.

TERRACE

Many Terrace people took advantage of the excursion rate on the railway and went to Prince Rupert for a trip last week.

Friday, the thirteenth, was signalled by a whistle and dancing party at the Oddfellows' Hall. This was in aid of a community Christmas Tree to be held on December 20.

The local branch of the Canadian Legion is arranging to provide Christmas hampers for families of children in a few homes that seem to be especially needy these hard times.

Port Essington Anniversary

Pierce Memorial United Church Celebrates Its First Birthday

PORT ESSINGTON, Dec. 18.—The first anniversary services of Pierce Memorial United Church were held recently. In the afternoon Miss N. L. Bird of the Anglican Sunday School Mission gave an interesting address on "The Power of Light," using the church as a lighted lantern, to show the way, her text being: "I am the Light of the world."

A song by six little girls—Misses Fanny and Esther Spadling, Laura and Grace Brown, Pearl Miller and Martha Wesley—was given delightfully.

In the evening, the baptism took place of the infant child of Mr. and Mrs. Sam Lockerby. The solo, "My Task," was sung by William Spadling and the Ladies' Choir sang two anthems which were well received.

Rev. Frank Bushfield, the pastor, was in charge of the service and took as his subject "The Real Work of the Christian Church." The service was well attended. Howard Starr was the cornetist and Mrs. Bushfield, organist.

On Saturday evening the Ladies' Aid of the church held a very successful sal and tea. The tea tables were in charge of Mrs. Howard Starr; the fish pond, Mrs. M. Wesley; fancy work stall, Mrs. J. B. Brown; candy, Miss Rosa Sapling; home cooking, Mrs. Bushfield. Community singing was enjoyed by the number present.

Man in the Moon

Did I hear a rumor that the congregations in the local churches were planning to pray for rain?

Jake says he hears that silver is still low. With me silver is low and so are notes and gold and even coppers are not very plentiful.

Doubtless the premiers feel better now that they have had a chance to get it off their chests at Ottawa.

"I hear your old man's getting better after all," Mrs. Arris.

"Yes, dearie; and it's put me in a bit of a 'ole. I've sold all 'is clothes to pay for an 'eadstone."

G. W. Nickerson returned to the city on the Prince George this morning from a trip to Vancouver, Seattle and elsewhere in the south, accompanied by Mrs. Nickerson Stewart—Part cloudy, calm, 30. Anyox—Part cloudy, calm, 30.

COLLISION IN HARBOR

Neither Ferry Boat or Norwegian Freighter Are Much Hurt At Vancouver

VANCOUVER, Dec. 18: (CP)—North Vancouver Ferry No. 2 and the Norwegian freighter Brynje were in collision in Burrard Inlet Monday night. No one was injured and there was no panic among passengers. The ferry was damaged only above the water line and the freighter suffered little damage.

Charming Shower Held Last Night

Sisters Hostesses at Affair in Honor of Miss Obuchina

Miss Millie Obuchina, a popular bride-elect of this month, was the recipient of many useful and beautiful gifts at a kitchen shower held last evening. This charming affair was sponsored by her two sisters, Florence and Anne Obuchina. The home was daintily decorated in pink and white.

The evening was spent in games and dancing.

Later on coffee and delicious refreshments were served.

The table was set in a pink and white streamer-trimmed room, centred by a white wedding bell.

Many friends joined in wishing the bride-elect much future happiness.

Henry Collison is with the band of Kitkatla which is in town and which was heard over the local radio station last night.
