B. C. MINISTER AT OTTAWA

According to Bruce Hutchison, Hon. G. S. Pearson, min-ish Association expressed appre-ister of labor for British Columbia, made a very good impression at the Ottawa conference. The conference adop- non-participation of Canada in the ted his plan of segregating those unemployed who are 1936 Olympic Games at Berlin in able to work from the unemployed who cannot work and never will be able to do so. That would show exactly how throughout Canada supports this view of the attitude of the Nazi government. Organized labor throughout Canada supports this trict to the north after a heavy much unemployment there is and how much effort was proposed boycott but no decision season's work on their way homeneeded to put every able man to work. He impressed the has yet been made by the Amateur ward for the winter. This does not conference with the Pattullo policy that every able man Athletic Union of Canada. should be given remunerative work, either through in- The council went on record as tions will not be continued should be given remunerative work, either through industry or government undertakings. He explained the city commissioner in appointing an these will be that of Capt. R. Adpresent system of giving relief through road work as outside teacher to fill a vacancy ams who went in early last spring badly hampering the department of public works. The which had occurred on the school with a Keystone drill. It is exprovince should pay wages on road work as a business teaching staff while local teachers pected that next season will see undertaking rather than as a relief project. He sugges- in city and district were without even greater activity up in the ted that, by spending about five million dollars a year for positions. This may by some people be city limits is also to be protested, considered a bad omen for the mayor of Vancouver. The the council decided. The protest return of prosperity will undoubtedly cure many of our health. Such a practice is considills and some people feel that Gerry in an affliction.

BIG MISSOURI MILL

It has been expected for some time past that Big Missouri mine would have a large mill. The authoritative anthe Board of Industrial Relations is nouncement made Thursday from Montreal that a mill to be asked by the council to would be in operation next year and that it would not be change the basis of pay for labor less capacity than 1500 tons is an assurance that there on construction work here from 45c will be busy times in the Portland Canal area. With this to 50c an hour. mine in operation and the Premier also running at full. It was intimated that the local capacity, and with smaller operations also general in the be again affiliated with the Trades district, the town of Stewart should begin to feel a general and Labor Council. improvement.

Best Christmas Gift

This is a season of the year when people are selecting their Christmas gifts to go to different parts of the world.

May we suggest that nothing is so acceptable to a former resident of Prince Rupert or to one who has friends and interests in the city or district, as a copy of the Daily News mailed to them direct at the special Christmas Gift rate of-

\$2.00 A YEAR

In this way they get approximately 300 reminders of your thoughtfulness.

NEWS OF THE MINES

Silver Crisis Matter of Northern Interest-Stewart Endeavors to Popularize Silver Dollar-Mining Men Coming Out of Omineca

Particularly in the mining areas contiguous to Prince Rupert is the present crisis in regard to the world's silver price a matter of outstanding interest from day to day. Many Prince Rupert people, more especially those who hold mining stocks and, despite the depression, there are still a good many of these, also seem anxious to keep in
