

THE richest, smoothest cream soups you ever set lips to are made with economical Carnation Milk at a real saving over the cost of cream.

That is because the Improved Carnation Milk is so smooth. Its double quantity of butter-fat is

blended right into every drop. You feel the richness. You taste the richness. Always make cream soups and sauces with Carnation Milk. In fact, use Carnation Milk in all cooking calling for milk. Undiluted, Carnation is perfect for creaming coffee, cereals, fruit.

The Improved Carnation Milk is fine in flavour, creamy-light in colour, smooth in consistency and irradiated for "sunshine" Vitamin D. Ideal for babies. Benefits adults, too. No increase in price. The famous Dionne quintuplets are being raised on Irradiated Carnation Milk. They have been fed Carnation Milk since November, 1934.
