Action of Federal Government May Prove Important Step In Port Development-Suggestion Also Made That Freight May be Brought Inbound

Skeena, wires from Ottawa to say that the minister of The House of Representatives, by trade and commerce, Hon. R. B. Hanson, gives him assura vote of 119 to 72, yesterday voted ance that arrangements have been made for eight calls at a favor of appropriating \$1,800. this port during the year, providing cargoes offer out-000 to enable the home owners bound. The government agrees ton

The minister also suggests that incoming calls might be arranged in order to bring freight to this port from the Orient, providing the business offers.

The arrangement made for the calling of the vessels here to pick up logs outbound is one of the most important steps taken in connection with the commercial development of this port. It is a recognition which has long been sought. It is now up to the log exporters to get busy and arrange for

be available to enable vessels to ca! inbound to discharge freight here is also very important and may be the beginning of a trade with the greater things in the future.
