Halibut Fishing Not to Start Until March 15-Quota Limit Set at 46,000,000 Pounds-Dr. Neal Carter Becomes Full Fledged Member of Mystic Order

It is now expected here that the 1935 halibut fishing season on the Pacific Coast will not actually commence until March 15, two weeks after the legal date for the opening of the season as set by the International Fisheries Commission. According to information here, the buyers of halibut on the coast have suggested to the operators that it would

rapidly of late as might have been tuation might be somewhat improvhave all but formally decided to acdecided to remain in port until the middle of March. Final decision on Sea Serpent Worshippers. this point will, it is expected, be next Tuesday in Seattle between | Copies of the Pacific Halibut the fish buyers and the boat owners Fishery Regulations for the 1935 and fishermen. Capt. George Fritz season as set by the International left Thursday night for the south Fisheries Commission have come to fifty had come north from Vancou. to act as representative of Prince hand. As already announced March ver on the Prince George Wednes. Rupert boat owners and fishermen I has been set as the date for the day for the Kelley and Morgan at this meeting. Meantime work legal opening of fishing operations camps while a number arrived on preparatory to the commencement this year. The catch of halibut to the Princsss Adelaide yesterday afof fishing operations is going ahead be taken during the year 1935 and ternoon and proceeded on the here as well as at other points on up to the end of February 1936 from Charles to the Allison camp at Cumthe coast.

Some of the herring taken by the Zenardi went into the plant | Returning to service after having of the Northern Fishermen's Cold been off the run for a week relieving Storage to be frozen for bait. While the Chelohsin, which had been out trollers have also been busy in the collision with the Princess Charhave been taken.

and fishermen have re-opened the and sailed a couple of hours later question of disposal of halibut livers on her return to Vancouver and this season and that no tenders waypoints. have, as yet, been actually accepted. This is another matter that will have to be cleared up before the ing Queen Charlotte Island camps halibut fishing season opens. Crowd Last Night

Albert Georgeson, arrived in port last night for the Islands. Some at 2 o'clock yesterday afternoon from Vancouver with general cargo including freight for the Canadian Fish & Cold Storage Co.

Neal Rides the Goat

There were mystic rites at Departure Bay, Vancouver Island, recently when Dr. Neal Carter was duly initiated into the Ancient and Honorable Order of Sea Serpent Worshippers with Dr. W. A. Clemens, Dr. C. McC. Motley and J. P. Tully acting as the three high priests at the awe-inspiring and fearful ceremony. We had wondered why our good friend had looked so sheepish and washed out when he arrived home from the south recently. He Neal, it seems, had been riding

prices are concerned, to defer the goats, seeing marine spooks and placing of fresh fish on the market otherwise flirting with the dreadful until after a further chance has and supernatural. Investigation is been given to clear out frozen stocks proceeding and we hope in the near which have not been moving as future to make such progress as will enable us to expose the secrets and hoped for. It has been suggested by mysteries of the order and disclose the buyers that the frozen fish si- them to our dear public. In other words, we might suggest to our ed by March 15. Prince Rupert boat readers that we are hot on the owners and fishermen, it seems, trail of nothing less than the ritual itself and that these columns at an cept the suggestion of the buyers early date may reveal further inand fall in line with the Seattle in- teresting adventures of the chief of terests which, it is understood, have the local fisheries experimental station in the nether regions of the
